TUESDAY, AUGUST 9, 1910.

From Lincoln comes the statement that 15,000 republicans over the state who are opposed to county option will vote at the primaries for Dahlan in order to secure a candidate for governor who will veto that measure.

Among the men who are asking for a nomination from the republican party is Ed Ewell, general field agent for the Grand Island sugar factory, who desires to be named as the party's candidate state railway commissioner.

Announcement.

I hereby announce myself as a candidate for re-election for representative of the 54th district subject to the approval of the republicans at the August 16th primaries.

I have no extended platform, but agree if elected to work for the passage of good progressive legislation and for the best interests of the district and state.

Nebraska's Opportunity.

With the closing of the present congress many of the great leaders in the senate will retire for various reasons. These men have been able to do great things for their respective states because of their long service and positions upon important committees which have given them a power which no new man can hope to secure.

IF WOMEN ONLY KNEW.

What a Heap of Happiness it Would Bring to North Platte Homes. Hard to do housework with aching back. Brings you hours of misery at leisure or at work.

of the enactment of laws which will tend to decrease the cost of living. I am opposed to ship subsidy. I am in favor of such legislation, state and national, as will afford to every depositor in a bank the greatest possible security for his money.

I am in favor of reducing the postage on first-class matter fifty per cent, and that at the next session of congress. I am opposed to all unnecessary appropriations of public funds, all of which appropriations must come from the people either by direct or indirect taxation.

I am in favor of liberal appropriations to all ex-soldiers who have rendered faithful service to the government in time of war. I am in favor of such federal legislation as will tend to prevent "bootlegging." To that end I am in favor of the enactment by congress at the earliest possible day, of a law which shall prohibit the government from selling stamps or issuing permits for the sale of intoxicating liquors in territory where such sales are prohibited by local law, and making such sales in such territory crimes against the federal government.

In Memoriam.

"Passed from Death Unto Life," Lydia Jane Lincoln at her home in North Platte, at 2 o'clock Wednesday afternoon, July 20th, 1910, at the age of 74 years, 7 months, 20 days, after an illness of two weeks caused by a complication of diseases.

Mrs. Lincoln had resided in Nebraska since 1889, first at Gothenburg and then in North Platte. During her residence in this city she won a large circle of friends who with the family and neighbors mourn her loss.

The deceased was a loving wife and mother, ever attentive and thoughtful to her children and family. A most lovely christian character, who ever remained faithful to the end and who has now received the promised crown of life.

The funeral services were held from her home Friday evening, July 22, 1910, Rev. Favoright officiating. The remains were taken to Britt, Iowa, to rest beside her husband and two daughters who had gone before to the better world.

A precious one from us is gone, A voice we love is stilled; A place is vacant in our homes Which never can be filled.

We wish to thank the neighbors and friends who so kindly assisted us during the illness and at the death of our beloved one. J. D. W. Lincoln, Mrs. C. F. Garrison, Mrs. J. E. House and Mrs. C. C. Clark.
