Wednesday one of the Greeks employed at the ice house fell from the upper platform to the track below, his back striking a rail. He was stunned by the fall, but other than bruises on the body and a sprained leg his injuries were not serious.

Supt. Tout is trying to arrange satisfactory boarding and rooming places for the teachers for the coming year. Anyone having desirable rooms will let him know by phone or letter. Steam heated rooms are most in demand. Two men and five ladies must be supplied.

For Sale—Piano, base burner and household goods of all kinds. Apply at 220 East Third street.

Perry Carson, who is a critical but righteous judge of woman's appearance, is anxiously awaiting the appearance of some petit blonde on Dewey street gowned in a hobble skirt. This skirt puts another waist line at the knees and makes the wearer look as though she wore corsets in two places. No person has yet pronounced the hobble skirt immodest, but when it appears in North Platte and it is found so, we can place a hand over our eyes—even if we do spread the fingers.

For Sale.

Rooming house best location in city; thirteen rooms and eighteen beds. Ask to see the books as to its being a money maker. Price \$1,200. For sale by D. E. Morrill.

We illustrate one number in a co-ed style made from very fine worsted yarns in a fancy stitch, trimmed with contrasting colors. A very stylish garment. Price \$3.50.

The Y. M. C. A. has purchased the furniture and taken the lease of the rooming apartment lately conducted by Frank Fulk across the hallway from the association rooms and in the future will conduct this lodging house as part of the Y. "Old" John Thompson will be the vaudeville attraction at the Keith tonight and tomorrow night. It has been thirty years since Mr. Thompson made his first visit to North Platte as an entertainer, appearing before the local public a number of times thereafter, and on each occasion proved a delightful entertainer. Time has not dulled his ability in this direction, and patrons at the Keith tonight and tomorrow night will feel well repaid for attending.

Mr. and Mrs. W. T. Brown left Tuesday night for Green River, Wyo., where they will remain a year with their sons Charlie and Sam who are working in the American Express office at that place. This will be a well earned and much needed vacation for Mr. Brown and it is hoped by his many friends that the change may prove beneficial to his health which of late has not been the best. During his absence Wm. Maloney will have charge of his dray line.

Miss Irma Huffman entertained a dozen of her young friends in a very hospitable manner at her home Wednesday evening. For several years he has been at Alliance where he has been associated with J. Baskins in the laundry business. Deceased is survived by a wife.

Having sold my restaurant at Hershey to Jas. W. Abbott, who will take possession September 1st. All accounts due me must be settled on or before that date.

L. P. KRONG.

The improvements to the first floor of the Vienna Cafe have nearly been completed, and North Platte can well say that it has a restaurant in all ways commensurate with the needs of the town. With the new steel ceiling, new paper on the walls and the wood work repainted the lunch room and the dining room certainly present an attractive appearance. The second and third floors of the building will be completed in a couple of weeks.

Councilman Yost Resigns.

Will Yost, councilman from the Third ward, tendered his resignation Tuesday evening. This action on the part of Mr. Yost was not voluntary. Recently North Platte became a city of the second class with a population of 5,000 or over. Under the law governing cities of that class a city official cannot hold a county office. Mr. Yost is deputy county clerk, hence his resignation was made necessary. Mr. Yost has been a member of the council for five years and has proved a mighty good man in the position. Regret is general that he was compelled to hand in his resignation.

Attracts Big Crowds.

The Reiss carnival company is attracting big crowds each evening, in fact each succeeding evening shows an increase in the number attending. With its myriad of electric lights, the dozen or more tents containing the attractions, and the booths occupied by the vendors of different wares, together with the big crowd attending, give the grounds an attractive as well as a lively appearance. The attractions are being very well patronized, are pronounced fully up to the average of entertainments presented by carnival companies, and are varied enough to suit the tastes and fancies of all.

In Tuesday's issue it was stated that the Reiss and the National Amusement Co. had combined shows for this engagement. Mr. Reiss, however, tells us that this was erroneous. All the attractions are under the personal supervision of the Reiss Carnival Company.

Strayed or Stolen

Dr. McKirahan Married.

Dr. J. Ralph McKirahan, of the Physicians & Surgeons Hospital, and Miss Mabel Forman, of Grand Island, were married at that place Monday at the residence of Rev. Graham and arrived in this city Tuesday morning. They are now at home at 716 East Sixth street.

Surprise Their Friends.

John Weinberger and Miss Mabel Day, two well known young people of the city, surprised their friends Monday evening by becoming man and wife, Rev. S. F. Carroll performing the ceremony. The marriage was kept a secret until the following day, when the announcement was made just prior to their leaving for Denver and other western points on a wedding trip. Intimate friends of the couple knew the wedding was soon to occur, but they were kept in the dark as to the exact day. They will be forgiven for the stealthy manner in which they became "one," and their friends will unite with The Tribune in wishing them only the pleasurable things of life.

Different From Other Shows.

There are many ways in which the Gollmar Brothers Shows differ from other circuses and a visit to this monster tented enterprise when it comes to North Platte Saturday, August 27th, will cause people who have been complaining that all shows were alike as to quality, to deny this statement, by adding "excepting the Gollmar Brothers Circus."

Gollmar Brothers Show resemble other tented enterprises inasmuch as the performance is given under a tent. When it comes to the circus acts themselves it differs widely from other institution which are heralded as "great" shows.

The menagerie is more than twice as large as that carried by other circuses. The Biggest Hipp in captivity is in this department. The only hybrid lion-tiger, with the lion's stripes on the tiger's skin, is another rare feature. A grand street parade is given in every city visited. And the turn-out is the biggest free feature offered with any circus of the present day.
