The Gold Dust Twins.

The Right Brothers
To Make The Dirt Fly.

Why use inferior grades of Laundry Soap when you can buy the best at the same price. Sunny Monday N. R. washes equally well in cold, luke warm, hot or boiling waters and will also break the hardest of waters. Sunny Monday contains not one atom of filler as the yellow soaps do, which sell at the same price. Insist on having Sunny Monday N. R. delivered with your next order of groceries.

During this week Mr. R. E. Miller will call at your home and explain all of the Fairbanks products to you, besides give you wholesale prices on same. Remember these products include Gold Dust, Fairy Toilet Soap, Fairbank's Glycerine Tar Soap, Pummo and Sunny Monday. **REMEMBER THE PREMIUM OFFER.**

We the undersigned dealers guarantee all of the above named products to give satisfaction and will give prompt attention to all orders given to Mr. Miller. "Sunny Monday Bubbles Will Wash Away Your Troubles."
