SAYS

That the motto of his business is **Quality**

And the pass word **Satisfaction.**

Quality lives long after price is forgotten. All people admire quality, whether it be in man or merchandise. Quality is a word long to be remembered. It means Satisfaction. Satisfaction means contentment and happiness. You get Quality and Satisfaction when you trade at The Star, whether it is a suit of clothes, a hat, a pair of Dutchess Trousers, a Douglas shoe, or in fact anything for man to wear. You will find

Quality and Satisfaction

in big chunks at

The Star Clothing House.
