

Ed. J. VanDerhoof

SAYS

That the motto of his business is **Quality**
And the pass word **Satisfaction.**

Quality lives long after price is forgotten. All people admire quality, whether it be in man or merchandise. Quality is a word long to be remembered. It means Satisfaction. Satisfaction means contentment and happiness. You get Quality and Satisfaction when you trade at The Star, whether it is a suit of clothes, a hat, a pair of Dutchess Trousers, a Douglas shoe, or in fact anything for man to wear. You will find

Quality and Satisfaction
in big chunks at

The Star Clothing House.

WHEREVER you happen to see a group of young fellows you are most certain to find them wearing clothes of rare style and individuality. We don't claim that these clothes are always of an exceptional quality but we do claim that young men affect certain features which older people don't. In "College Chap Clothes" we have been fortunate enough to find a quality which is not by any means expensive, and features which are strikingly young though not too young, for men who wish to retain their youthful appearance. The Normandie, The Norfolk, the College Chap and the College Chap Jr., are four styles of young men's garments. They are classed under the name of "College Chap Clothes." They are a branch of "Modern Clothes", made by Brandegee, Kincaid & Co., tailor shop at Utica.
