HEREVER you happen to see a group of young fellows you are most certain to find them wearing clothes of rare style and individuality. We don't claim that these clothes are always of an exceptional quality but we do claim that young men affect certain features which older peple don't. In "College Chap Clothes" we have been fortunate enough to find a quality which is not by any means expensive, and features which are strikingly young though not too young, for men who wish to retain their youthful appearance.

The Normandie, The Norfolk, the College Chap and the College Chap Jr., are four styles of young men's garments. They are classed under the name of 'College Chap Clothes." They are a branch of "Modern Clothes", made by Brandegee, Kincaid & Co., tailor shop at Utica.
