The order for a reduction of the force at the Union Pacific shops comes at a time when there is not much decrease in traffic, and at a time when the present force is needed to keep up the motive power. Down in Wall street, however, it is deemed necessary to retrench in order to make a showing for some purpose—the nature of which we common men are not supposed to know.

"The Widow Perkins."

Out of the fullness of his experience Samuel Weller ejaculated "beware of the widows," but neither Dickens nor Weller had known "The Widow Perkins," who is to be presented at the Keith next Monday evening.

The widow's motto is: "Laugh! You'll scream," and in order to make you do this the management has grouped together Warda the greatest character impersonator of eccentric females on the stage; Gruber and Kew the unique comedy duo and wonderful musical artists and a supporting company evenly balanced and exceptionally clever.

Special scenery is carried for each and every act including the great transformation Watermelon scene; the Indian Tepee scene and Lake of Killarney, so that the settings shall be of equal merit. They are determined to give you something different—something that will make the name of "The Widow Perkins" a household word and in order to do that every detail must be just right.

This season's feature of "The Widow Perkins" is the "Dance du Vampire" with elaborate stage settings and handsome French costumes—an act long to be remembered, founded on the theme of Burne-Jones's painting and Kipling's poem.

Democratic Legislature.

Figures presented by the Bee this morning shows the coming Nebraska legislature to be democratic. In the senate the democrats will have eighteen and the republicans fifteen; in the lower house there will be fifty-four democrats and forty-six republicans, giving the democrats a majority of eleven on joint ballot.

On the College gridiron last week, the Cedar Rapids foot-ball eleven were easily defeated by the Spaulding College eleven. After the first quarter the Collegians had things their way. The line plunges of Ryan and O'Shea, Brogan's tackling and Gilroy's end runs were easily the features of the game on the College side. Score 27-0. This is the third victory for the Spaulding College, having played but three games, and not being scored on so far.

You economical women who buy Corsets for a dollar or two

Don't you know that's false economy? Let us tell you about a REAL bargain.

When front laced corsets were first placed on the market at \$25 they were purchased only by the millionaire class. Later when the \$15 corset made its appearance women sought them because, even though considered a luxury, they were recognized as the one corset that combined style and healthful comfort. Then when the \$12, \$8 and \$5 Gossard was offered many women eagerly accepted the opportunity to secure the corset that until then had seemed beyond their reach.

THE
Gossard
CORSETS
They Last a Lifetime

NOW, when you can get true Gossard principals of corsetry, with the distinctive features of the Gossard front lacing, the habit back and the hygienic comfort combined, and the same beautiful lines for which formerly \$25 was cheerfully paid—for only \$3.50—doesn't it seem absurd to even think of another make?

Suppose you HAVE felt that \$2 was your limit to pay for a corset. Be honest. Has it been satisfactory? Has it kept the lines that looked good to you when you bought it? Has it worn well? Has it been comfortable? Was it fitted by an expert corset fitter whose experience proved of valued aid in knowing the particular model for your style of figure? Haven't you sometimes wondered why some women had such perfect poses, could stoop and exercise without having a steel break and dig into them, why their clothes fitted so well, especially why their backs looked so good? Didn't it ever dawn on you that it is the Gossard that does all this and more?

A Gossard at \$3.50 is true economy, but it's not cheap in the true sense of the word, for there is nothing tawdry about it. The materials are the best there are on the market for the money.

The model illustrated conforms to the present styles and the workmanship shows the Gossard precision of details and accuracy of boning. Boned with Electric boning, which is as strong as steel, yet more pliable than whalebone.

Here is an opportunity waiting for you. Be fitted by one of our experienced corsetiers who is acquainted with every detail of corset fitting from a fashionable and hygienic standpoint. The same courteous attention given to the \$3.50 fitting as to a \$25 one. Other models from \$5 to \$25. Come and see for yourself.

Young Man Dies.

Clyde McGuire, the nineteen year old son of Mrs. J. W. McGuire, died at his home at Big Horn Tuesday evening. Death was due to typhoid fever, from which the young man had been suffering for several weeks. Deceased was well known by many North Platte people. Funeral services were held at Maxwell Wednesday afternoon and interment made in the Maxwell cemetery.

Baptist Notes.

The interest and work is unabated. Regular audiences are larger than ever. The bible school reached the highest attendance last Sunday that has been for years, perhaps ever before. The mid-week meetings are the joy and delight of old and young. The attendance ranges near, and in one instance quite, one-third of the resident membership. Thirty, thirty-two, forty-two and thirty-two have been the respective numbers present on the four nights since special meetings. The number of these taking part in speaking reached thirty-two one night. Two persons have been baptized since the meetings closed. Two others still await the ordinance, and other persons are seeking membership in the church.

All departments are prosperous and thriving except the B. Y. P. W. During the revival the young people threw all their strength into the special work and did no distinctive young people's work. Hence the Union has not come back into full swing as an organization. A meeting will probably be called next week for the purpose of recruiting the young people in the ranks of the Union for effectual young people's work. Next Sunday is expected to be a good day with all regularly appointed services. In the morning the pastor

will discuss "The Lord's Supper as Christ Instituted It: Its Place and Purpose." At night "The Man With No Place for Repentance" will be up for discussion. This meeting will be evangelistic. All are welcome.
Pastor.
