## TOWN AND COUNTY NEWS

The district court jury reported for service yesterday and the grind of jury cases has been resumed.

The remains of Alexander A. Buckworth were disinterred from the North Platte cemetery Friday and shipped to Lincoln Friday night.

The County Commissioners will meet in session on Monday of next week for the purpose of considering road matters and such other business as may come before them.

The statement made in these columns a week ago that the case of the state against Guy Pitt had been dismissed was an error. The case stands on the docket and may be tried at a future term.

Derryberry & Forbes have a novel ad in this issue. It refers to a full page in this week's issue of the Saturday Evening Post, and to their window display, their window, their ad and the Saturday Evening Post being all alike.

Mr. and Mrs. W. C. Hutchens have returned from Bridgeport, where they were called to attend the funeral of Mrs. Burch, a sister of Mr. Hutchens. The funeral was held in the Presbyterian church at that place, conducted by Rev. Mr. Burk, and the body laid to rest in the Bridgeport cemetery.

Ralph R. Longley, of Lincoln, president of the Standard Land Co., spent yesterday in town. This is the company that is handling the Rio Grande Valley lands in Texas in which a number of Lincoln county men are becoming interested. Claude Weingand is the local agent for the company.

Among those who expect to go to Omaha tonight to attend the consecration of Rev. Geo. A. Beecher to the bishopric are Rev. Chapman, Mrs. D. C. Congdon, T. C. Patterson, Arthur McNamara, Major Walker, F. E. Bullard, Mr. and Mrs. W. M. Cunningham, F. W. Rincker, P. J. Gilman, Arthur Bullard and Milledge Bullard.

Wanted—Place as housekeeper for widower or bachelor. Address G. W. Kinsman, Box 17, Somerset, Neb.

Col. Dave Love, Will Coker and J. H. Stevens, of Sutherland, were in town Saturday and made The Tribune a call. Like all other Sutherland residents, these men are boosters for their town, and evidently their boosting has its effect, for during this year the permanent improvements made at Sutherland aggregate between \$50,000 and \$75,000. And the future of Sutherland promises even better and greater things.

You will be glad to know that you can get a fine quality light weight hose that will give the service of heavy ones. Armor Plate Hosiery is known as the long life hosiery of the age. Sold by Small; The Big Shoeman.

It would not be out of place for the people of North Platte to show the high school foot ball team some recognition. To go through the season without a defeat is certainly meritorious work, and especially are they to be complimented for defeating a team so strong as that of York. Undoubtedly the North Platte team is the strongest high school team outside of Omaha and Lincoln and perhaps is as strong as either of those. It is worth something to a town to have a winning ball team.

## SOCIETY NOTES.

Mr. and Mrs. G. S. Hoffman and Mrs. J. C. Federhoof will entertain the Harmony Club at their home Friday evening.

The 500 Club will be entertained this evening by Mrs. W. H. McDonald and Mrs. H. S. White at the home of the former.

The Indian Card Club will be entertained Wednesday afternoon by Miss Geradine Bare, assisted by Mrs. Victor VonGoetz, Miss Irma Clinton and Miss Kate Seyferth.

Twenty-eight members of the J. T. Club were delightfully entertained Friday evening by Mr. and Mrs. John Murray. High five was the entertaining feature, the prizes for good playing going to Mr. and Mrs. Seeburger, and the consolation emblems to Mrs. John Herrod and E. A. Garisch. Enjoyable refreshments were served at the close of the games.

One of the most enjoyable dinner parties Thursday was the one served by Messrs. McGovern, Sturges and Frisco, who are occupying a very attractively furnished house on East Third street. The guests were nine "homeless wanderers" prominent young men of the city, and the two turkeys, as well as the viands of the laden board, were cooked and served by the hosts, who were highly complimented for the pronounced success of the dinner.

## ROAD AND SHOP NEWS.

Charley Lierk leaves tonight for Omaha, where he will have a cataract removed from his left eye. Following the operation he will go to Excelsior Springs for a stay of a couple of weeks.

The cash drawer in the U. P. ticket office at Sidney was robbed of \$71 a few nights ago. A typewriter belonging to the telephone operator was also toted from the office.

Frank Hatch, who recently moved to Willow Springs, Mo., cannot withstand the "call of the ticker." He will soon return and resume his former position in the telegraph office. Mrs. Hatch will remain with her parents in Missouri during the winter.

The letter from Asst. Manager Ware, published in these columns last Friday, was received with pleasure by the people of North Platte. That the Union Pacific is to expend a hundred or more thousand dollars in terminal improvements in North Platte next spring and summer not only means the employment of many mechanics and laborers, but is further evidence that the company has no intention of ever removing its division terminal from North Platte. The completion of the new yard also means the discontinuance of switching in the center of the town and consequently less blocking of crossings, which in the past has been no little annoyance to the people of the city as well as the farmers who come into town from the north.

School hosiery without the usual darning troubles. Armour Plate Stockings are "ideal" for the youngsters because they stand the wear. You would materially reduce your hosiery expenses if you would let them wear no other kind.

Wanted—To sell 100 head of stock hogs. L. E. Ebright, two miles west of Experimental Farm.

Three cars of cattle in an outgoing freight train were derailed in the east end of the yards Saturday. The train was pulling out on the main track when the switch in some unknown manner was thrown and three cars went off the track and plowed over the ties for some distance and then crossed to the next track. When the train was stopped two cars were on the adjoining track and the third crossways between the two. The ties were greatly damaged and the rail torn loose but the cars were injured only slightly. Several hours were occupied in clearing away the wreckage.

Our efforts this season to please the Christmas shoppers seems to meet with the approval of the public as our store is crowded with goods for everybody.

**A SENSE** of what's proper is needed in dressing well. If you are a big, stout fellow you can wear large checks or spectacular plaids. If you're slim, you should not wear stripes. These are points which are not appreciated by the average purchaser of clothes.

The first thought of some clothiers is to get a man's money, regardless of how he looks in the clothes he buys. Our first thought is to sell you clothes which are becoming to your individual "make-up." Take our "MILLER MADE CLOTHES" for young chaps. They were designed and built to emphasize the slender, graceful lines of youth. Don't get the impression that these clothes are too young-looking for older men, because they are not. Hundreds of older business and professional men have youthful physiques. "Miller-Made" Clothes are tailored for all physiques. Why not investigate "Miller-Made" Clothes and satisfy yourself that we are correct in our argument?

## Joe Piercy Elected Legislator.

Word received in town recently announced the election of Joe Piercy as a member of the Nevada legislature. Joe will be remembered as the eldest son of J. C. Piercy, former weather observer at the local station. For several years he has resided at Tonaph, Nevada. Friends in town will be glad to learn of Joe's political success.

## Hand Mashed.

Wm. Gaunt, living northwest of town had two fingers on his right hand crushed in a corn shredder Friday evening. The fingers were so badly mashed that it was necessary to amputate the index finger. He got up on a pile of fodder in order to reach a part of the machine, when his feet sank into the fodder and his outstretched hand fell between two cog wheels.

## Cases Accumulating.

Deputy Clerk Prosser says quite a number of cases are accumulating for the term of federal court which will convene in this city next June. Among the number are three important replevin cases; seven Garden county cattlemen charged with attempting to drive settlers from their homesteads, and who have been placed under \$10,000 bond each; and three men charged with selling liquor without government license.

Several North Platte men contemplate making a trip to Texas in the near future to look over land propositions. Among the number are Attorneys Roach and Muldoon and E. A. Cary.

Mrs. Frank Heneka, living west of town, has been suffering from a very severe attack of rheumatism.

## Elk's Memorial Service.

The annual memorial service of the local lodge of B. F. O. Elks will be held at the Odd Fellows' hall next Sunday afternoon at three o'clock, that being the day observed for that purpose by the Elk lodge. The program will include selections by the Stamp orchestra, an address by Rev. Mr. Chapman, of the Episcopal church, the ritualistic service of the order and two selections by the Elk's male chorus. All members and their ladies are invited to attend this service.

## Robb Muldoon's Safe.

The safe in the law office of Albert Muldoon was robbed of twelve dollars Thursday night. The thief unlocked the door to the office and finding the safe unlocked hypotecated the money which had been placed in an envelope but not locked in a drawer. The thief pried open one of the locked drawers and carried off the contents, which were however, of little value. A number of burned matches lay on the floor, these furnishing the light for the thief's operations. No clue to the thief has been obtained.

Messrs. Beeler, Reflor and Liles, of Nichols precinct, returned the latter part of last week from their trip to the Rio Grande valley in Texas. We understand they were well pleased with that section and may conclude to invest in land.

F. A. Stroup, the hustling salesman for the Payne Investment Co., spent yesterday in town.
