The Steady Subscriber.

How dear to my heart is the steady subscriber,
Who pays in advance at the birth of each year,
Who lays down the money and does it quite gladly,
And casts around the office a halo of cheer.
He never says, "Stop it; I cannot afford it,
I'm getting more papers than now I read."
But always says, "Send it; the family like it."
In fact, we all think it a real household need.
How welcome he is when he steps in the sanctum,
How he makes our heart throb; how he makes our heart dance,
We outwardly thank him; we inwardly bless him—
The steady subscriber who pays in advance.
