The Roman Forum. The Forum was originally a market place and only by degrees became the center of Roman civic and political life. About B. C. 470 it became the place of assembly of the people in their tribes and was gradually adorned with temples and other great public buildings. The Roman Forum—the Acropolis at Athens alone excepted—is perhaps the most thrillingly interesting spot on earth to such as know and appreciate the teachings of history. From the Forum came the august laws which governed the then known world for more than a thousand years.

The Girls' club of the Catholic church was pleasantly entertained last evening at the Whalen residence by Miss Evelyn Jeffers assisted by the Misses Maloney, McGovern and McWilliams. The refreshments served were much enjoyed.

Nineteen high school girls—known during the foot ball season as the boosters' club—entertained the foot ball team at the home of Miss Myrtle Beeleer Saturday evening in a manner that made the gridiron warriors feel that life was worth the living. This combination, provided by the nineteen of the best girls among the 91,000,000 of us, proved a Nile green oasis in the desert of school grind, and will be held in remembrance until Vic Halligan becomes captain of the university team.
