**Death of Mrs. Eastbourne.**

Mrs. Will Eastbourne died yesterday morning at her home on east Sixth street of consumption. She had been a sufferer from the disease for over a year, and for the past four or five months had been in such an enfeebled condition as to confine her to bed. The deceased had resided in town for about two and a half years, her husband being a barber by vocation. The husband and a child thirteen months old are bereft of a wife and mother. Relatives from the east arrived this morning, and the funeral will be held from the Christian church at 8 o'clock this afternoon. In his bereavement Mr. Eastbourne has the sympathy of many friends.

On the 23d of August, 1904, she was united in marriage to Will Eastborn. Two children were born to them; Francis Merrian on October 23d, 1905, and Mary Kathren January 25th, 1910. Little Francis passed to the upper world July 9th, 1906. Mrs. Eastborn was a devoted christian; she was a member of the Christian church at this place and also connected with its bible school through its home department. She was affectionate, faithful and patient as a wife and mother and highly esteemed by all whose privilege it was to know her. She leaves her husband, baby Kathren, her father, two brothers and one sister and a host of friends to mourn her death. M. C. J.

**Don't drug the Nerves!**  
use "CELMO"—banish the cause of RHEUMATISM

No medicine which aims at removing the effects without removing the cause of any disease, can ever really cure you. That's common sense. Why, then, do so many continue using the common rheumatism remedies containing opiates which "deadens the pain"—temporarily—by deadening the nerves—or which contain dangerous stimulating poisons which make one "feel good"—temporarily—by unnaturally increasing the circulation and producing the most disastrous after-effects? Simply because they are deceived by the temporary relief secured. The longer they continue such harmful treatment, the greater the dose required to give the same result. In this way many often acquire the "medicine habit," dosing and dosing themselves continually, day after day, month after month, year after year, constantly growing worse instead of better.

**USES 1 BOTTLE AND WALKS**

**HAD GOUT 9 YEARS**  
"Have taken Celmo and my Rheumatism is gone. Had been advised with Rheumatism that for 9 or 10 years."—W. H. LATHROP, 1855 Byron Street, Chicago, Ill.

**ONE BOTTLE HELPS LOTS**  
"Have taken one bottle of Celmo and have almost lost of health. Think it fine and what is represented to be. Have told some of my friends about Celmo and they all tell me they are going to try it."—C. H. MILLER, 208 Mountain Street, Bay City, Mich.

**THE ONLY WAY**  
"By faster how many other remedies you've tried—no matter how disagreeable you may be—there's hope for you. Get a bottle of 'Celmo' (40c) and start on the road to health, strength, vigor, happiness. Do it now!"
