It is not the intrinsic value of the gift, but the sentiment it conveys that will be appreciated. Beryl Murphy Passes Away.

Following an illness of several weeks, Beryl Murphy, the eighteen year old son of Mr. and Mrs. J. T. Murphy, died Wednesday night. For several months this bright and active boy had been affected with valvular heart trouble, the affection at times being very severe. Specialists had given him treatment, but his condition continued to grow worse, and for a week or so preceding death, those who loved him so dearly were forced to conclude that the end was near.

Mainly and courteous, cheerful in disposition, Beryl won the good-will of all his acquaintances, while his ambition was the admiration of the older ones. In the death of this promising son the parents have the sympathy of our people.
