which are so much in vogue this year no woman's outfit is complete without several pieces of neck adornment. Anticipating the popularity of this style in advance, we bought heavily in beautiful "Lavalliers" which make an ordinary neck look beautiful and a pretty one even more so. This is one of the handsomest pieces of jewelry ever worn and we have set a price that will leave us without one in stock.

It is rumored here that a new time-card will go into effect Sunday and that trains No. 13 and 14—the Denver run—will again be placed in service. Passenger traffic does not justify these additional trains, but the Burlington will increase its Denver service Sunday and the Union Pacific must keep in the game.

A dozen members of the motorcycle club rode to Gothenburg Sunday forenoon. Starting on the return trip and reaching a point six miles west of Gothenburg, they encountered a rain storm which soaked the drive belts so badly that they slipped, and they were compelled to return to Gothenburg, leave their machines and come home on the train. They will go down after the machines next Sunday.

Announcement.
I hereby announce my candidacy for the republican nomination for county treasurer, subject to the decision of the republican primary August 15th. I will appreciate the support of republicans on that day.
FRANK MURRAY.

Decision Expected Soon.
It is expected that a decision in the waterworks case will be handed down within the next few days. This expectation is based on the fact that the Denver water case and the North Platte water case were heard on the same day, and the decision in the former was handed down last Friday. It is therefore likely that the North Platte case will follow the Denver decision closely.

Proclamation.
MEMORIAL DAY
A grateful nation has set apart May 30th in memory of the dead, who freely offered their all that the nation might live.
It is fitting and proper that we should devote this day not only to the memory of those for whom it was especially set apart but also to the memory of our honored dead.
I therefore earnestly request all our people to lay aside their usual avocations, not to engage in unseemly games or sport, but with due reverence and in a fitting manner observe the day.
Given under my hand at North Platte, Nebraska, this 23rd day of May, 1911.
