The Quincy (Ill.) Magazine has these kind words to say in remembrance of the late John Fenwick, who attended college at that place: The recent death of John Fenwick near Basin, Wyoming, has caused sadness among many of his former classmates at the Gem City Business college, and other friends he made during his stay here. He was a young man of whom his faraway parents might well be proud. Studious, gentlemanly and always agreeable to meet, there were many here who predicted a bright future for him. In their bereavement, members of his family can have the consolation of knowing how he was appreciated by those he met here, and the good record he made during his college days in this city.

An audience that filled the seating capacity of the Presbyterian church attended the memorial day services held by the B. of L. E., B. of L. F. & E., the O. R. C. and the B. of R. T. held Sunday afternoon. The audience was largely made up of railroad employees and their families, and the exercises were interesting and pleasing to all. Excellent music was furnished by the church choir and by a male quartette, and the address by Bishop George A. Beecher was well received. The feature of the service, and a most impressive one, was carried out by little girls. As Bishop Beecher read the names of each engineer, fireman, conductor and brakeman who has passed beyond, a little girl carried a white carnation and a fern leaf to the altar and deposited it in an urn. The list contained the names of nearly one-hundred railroad men who have died since the four orders have been organized and who were members.

A Charming Woman
is one who is lovely in face, form, mind and temper. But it is hard for a woman to be charming without health. A weak, sickly woman will be nervous and irritable. Constipation and kidney poisons show in pimples, blotches, skin eruptions and a wretched complexion. But Electric Bitters always prove a godsend to women who want health, beauty and friends. They regulate Stomach, Liver and Kidneys, purify the blood; give strong nerves, bright eyes, pure breath, smooth, velvety skin, lovely complexion and perfect health. Try them. 50 cents at Stone Drug Co.

Swanson-Bostwick.
A pretty little home wedding occurred at the home of Mr. and Mrs. I. B. Bostwick, south of Hershey, June 21st, when their daughter Ida became the bride of Aloff B. Swanson. The ceremony, which took place at high noon, was witnessed by a score or more relatives of the contracting parties. Rev. Fred Johnson, pastor of the M. E. church at Hershey officiated.
