Attack like Tigers.

In fighting to keep the blood pure the white corpuscles attack disease germs like tigers. But often germs multiply so fast the little fighters are overcome. Then see pimples, boils, eczema, salt-rheum and sores multiply and strength and appetite fail. This condition demands Electric Bitters to regulate stomach, liver and kidneys to expel poisons from the blood. "They are the best blood purifier," writes C. T. Budahan, of Tracy, Calif., "I have ever found." They make rich, red blood, strong nerves and build up your health. Try them, 50c at Stone Drug Co.
