To Homesteaders.
 Congressman Kiekaid has sent the following communication to the local U. S. land office:
 For the advice of the public, especially for the advice of homesteaders, I write to advise you of the provisions of the act providing for the absence of homesteaders from their claims on account of the drouth conditions, in contemplation that you will be pleased to publish the same. The area contained in all the land office districts in our 6th Congressional District is included in the bill. The act provides:

"That all persons who have heretofore made homestead entries in (naming the different land office districts in the various states covered by the bill) are hereby relieved from the necessity of residence and cultivation upon their lands from the date of the approval of this Act to April 15, 1912; provided, That the time of actual absence during the period named shall not be deducted from the full time of residence required by law."

I regret to say, the act requires that the time of absence of which an entryman avails himself will have to be made up, the same as if he had obtained a leave of absence upon individual application therefor under the existing statute, but under this act no application for leave of absence is necessary. The act is understood to apply to all entries, whether residence has been commenced or not, thus extending the time in which residence may be commenced until April 15th, 1912.

It is safe to say that a very large majority of the republican newspapers of the state do not approve of the recent attacks made upon President Taft by Governor Aldrich of this state, but thus far they have shown a commendable disposition to keep down strife and avoid a "mix up" with the governor. Governor Aldrich should appreciate this fact and add his own mite to keeping harmony within the republican ranks in Nebraska. We can afford to let the spring primary decide as between Taft and LaFollette in Nebraska, and until then it may behoove every prudent and patriotic republican citizen to keep cool and be prepared to support whichever or whoever receives the nomination. Or if we are simply running a training camp for the democratic party, we may as well find that out right soon and be governed accordingly. —Kearney Hub.

Suits All Classes.
 The cigars we make and sell suits all classes of men. We have several brands of nickel cigars which are pronounced a superior article by smokers of good judgment. For the man who wants a finer cigar, we have the ten centers, which are as good a cigar as you can buy anywhere. There are men in North Platte who have smoked our cigars for over twenty-five years and are satisfied. That tells the story of the quality.
