Strike Warning Sent Out.
Warnings have been sent to the 35,000 members of the Federation of Shop Employees of the Illinois Central railroad and allied lines to be prepared for the calling of a strike. But the men are no nearer a walk-out than they have been at any time during the last two weeks, union officials said here today.

The notices sent to the employees, explained W. F. Cramer, chairman of the committee which has the Illinois Central question under consideration, merely warned them to be prepared in the event of a strike.

"We thought it well to give these men warning that there is a possibility of a strike, although it is not imminent," he said. "Having been warned, the men will retrench and in a measure be ready to quit work if the strike order is issued."

"It is not unusual for such an order to go out. At one time our men were warned five months before a strike was called to be ready."

The warnings were mailed to various local last Wednesday. In case of a strike, it was explained, a "flash" notice would be sent out from the union headquarters.

McConnel Wins Ribbons.
J. H. McConnel, the well known Somerset Hereford breeder, held up the reputation for this county in the Hereford cattle show at the state fair at Lincoln. Gladys' Lad, a senior yearling, son of his former herd bull, Queen's Lad, and now being used in his own herd, won third in the open classes for senior yearling bulls and was second in the Nebraska classification.

His polled junior yearling bull, Polled Commander, won third place in the Nebraska competition in his class. His junior bull calf won fourth prize in the Nebraska classes. Mr. McConnel won two prizes on aged cows, getting third and fourth on 'Miss Princess' 8th and Katie. Other premiums awarded to the McConnel Herefords were third on senior yearling, second on junior yearling heifer and third on junior heifer calf.

Most of these cattle were of Mr. McConnel's own raising and fitting, and reflect much credit on the "Sandhill scenery" of which they are a product. Mr. McConnel is breeding both the polled and horned Herefords, and is meeting with much success. His ability as a steer feeder is well known at the leading markets, where cattle of his handling are much appreciated.

West Nebraska Conference.

The annual conference of the West Nebraska district of the Methodist church opens at Lexington today. Several of the city will attend, including Supt. Chamberlain and Rev. Porter.

Bishop Henry W. Warren, L. L. D., of Denver, will preside over the conference and assign the pastors to their fields of work for the coming year. This conference has \$633,370 invested in a business carried on in 154 churches at an annual expense of \$134,348. It has the exclusive labor of 80 men beside a claim on the partial labors of 13,793 persons besides. And from these fields these laborers gather for a week of conference, at which time reports from these various churches will be made.

The Nebraska state ball league, from a financial point of view, is said to have been a heavy failure. This was probably to be expected, at least North Platte's experience has been that a good ball team is not self supporting and that a liberal purse must be made up at the opening of the season if the team is to be maintained.

NO REASON FOR IT.

When North Platte Citizens Show the Certain Way Out.

There can be no just reason why any reader of this will continue to suffer the tortures of an aching back, the annoyance of urinary disorders, the dangers of diabetes or any kidney ills when relief is so near at hand and the most positive proof given that they can be cured. Read what a North Platte citizen says:

J. M. Harper, 409 Dewey Street, North Platte, Nebr., says: "I had occasion to use Doan's Kidney Pills for kidney trouble when living in Creston, Iowa, and found them to be a splendid kidney remedy. Their use removed a pain across my back which had troubled me greatly. They also strengthened my kidneys and regulated the passages of the kidney sections. I do not hesitate to recommend Doan's Kidney Pills most highly. They can be secured from McDonnell & Graves' Drug Store."

For Sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.
