Buy Property Now.

Great bargains in houses, lots, farms and other land. See us before you buy. Bratt & Goodman.

Andy Struthers received additional samples yesterday from the Little Mary mine located in Arizona and in which a number of North Platte men are interested. This property consists of fourteen claims, and while the quartz is largely copper bearing, there is a considerable quantity of gold and silver. The property has not been fully developed as yet, but enough ore has been uncovered to insure a rich body. One property near the Little Mary has produced \$35,000,000 in ore.

Take Pride in Our Town.

The people of North Platte can point with pride to their hundreds of handsome residence and fine business blocks, including the Elks building representing a value of \$35,000.00, the Masonic and Odd Fellows building each worth \$30,000.00; the two handsome bank buildings, Timmerman, Waltemath and Keith Neville blocks and their fine church buildings. All of these are due to individual effort.

We will soon have a handsome Federal building donated by the government at a cost of \$110,000.00, and a fine public library building, erected at a cost of \$14,000.00, a free gift to the city. Our school buildings are a credit to the city.

What a contrast all these make to the three little measly shacks erected by the city as a home for its fire department and for the housing of its city officers and property.

There is not a town in the state of one thousand population but has made better provision for its fire department and city officers.

Kearney built its handsome city hall 30 years ago at a cost of \$40,000.00 when it was not half the size of North Platte. Grand Island built its fine three story city hall more than 25 years ago when it was much smaller than North Platte is now.

Schuyler, not half the size of North Platte, has erected a fine modern press brick building for city hall and home for its fire department.

Even little towns like Gothenburg and North Bend are provided with city halls adequate to their needs.

Now that there is an opportunity to secure a building for the city hall and home for the fire department in keeping with the needs of the city, a building that we will not be ashamed of, it behooves every well wisher of North Platte to give the bonds proposition their earnest support.

One of the contractors on the grading for the extension of the Kearney & Black Hills branch of the Union Pacific from Callaway to Gandy, has completed his contract. It is rumored that he has instructions to remain there until spring, so that he will be on the ground to commence work on the grading of the extension of the Pleasanton branch to this point and on west.

A. L. Geyer, formerly of this county, but now living at Sealey, Texas, has been visiting acquaintances in this section for a week past.

ONE WAY OUT.

A North Platte Citizen Shows the Way.

Only one way to cure a bad back. Liniment and plasters may relieve it. They won't cure it. Backache means sick kidneys. Doan's Kidneys Pills cure all kidney ills.

North Platte people prove this. J. C. McGowan, 321 S. Chesnut St., North Platte, Neb., says: "Some six months ago I had an attack of kidney trouble and suffered all the aches and pains that accompany this disease. I began using Doan's Kidney Pills, procured from McDonell & Graves' Drug Store and it required only one box to rid me of every symptom of the trouble. The cure proved to be a permanent one, for no kidney troubles have since appeared since. I also gave Doan's Kidney Pills to our little daughter who suffered from backache and a kidney weakness and they proved equally satisfactory in her case.

For Sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

Honorable mention was made by the World Herald Good Roads Convention of the road thru Osgood precinct, Judge D. E. Watkins commending Commissioner Thoelecke on his judgment regarding this road.

Mrs. Will Allen of Omaha arrived last night to visit her mother Mrs. John Weinberger.

Miss Jessie Baker left yesterday afternoon for Kearney to visit friends after which she will spend a week in Omaha.

A marriage license was granted yesterday at Omaha to M. L. McCullough, formerly of this city but of late years living at Elsie, and Lu Holmes, of Indianapolis.

DID you ever hear the remark, "Put all the big apples on top, John,"—which meant that the small and spoilt fruit was underneath. Even if we wished it, that could not happen at this store. Our customers demand the closest attention.

Besides it does not pay us to buy any fruit but the best. One bad melon or peach will spoil a whole box, basket or barrel. We are therefore just as anxious to secure good melons and fruit as you are.

Our buying is done to please you and our guarantee is that we will gladly replace any spoiled fruit, that we may unwittingly sell you.

Here are some of our offers for the current week: **Apples \$1 per bushel; Plums 90 cents and \$1.00 per crate; grapes, 4 baskets for \$1.00; Peaches, Pears, Tokay Grapes, etc.**
