Consult Your Banker.

Are you being solicited by anybody to buy stock in anything? Have you about made up your mind to take your savings which are now earning a Safe Rate of interest and "invest" them in some scheme that vaguely promises anywhere from 8 o 800 per cent?

If your mind is working in this direction, you owe it to yourself and to consult your banker before it is too late.

The American public is annually fleeced out of more than two hundred million dollars by the get rich quick grafters.

Ask your banker before you buy. He can easily ascertain the standing of any compano of good business repute.
