The local high school foot ball team went to Sterling last Saturday to try their luck with the much heralded Sterling athletics. Sterling was all they were claimed to be, and a trifle more, apparently, judging from the final score of the game, 11 to 6 in favor of Sterling. North Platte was easily out classed in the kicking department and Sterling scored two goal from the field, and then got away on a fumble and scored a touch down. North Platte's only score came when Tramp got the ball on a Sterling muff and went racing down the field for a touch down. Norris kicked goal, making a total score of 6. The team returned home Sunday evening very much discouraged, but coaches Neville and Keefe are whipping them into line for the game here Friday with the Kearney high school and hope to land the North Platte team in the winning column.
