Gibbs.

Entertainment Monday Evening.

C. L. Burgderfer, "the man with the smile worth while," comes to the Keith Monday evening as the third attraction of the high school lecture course. He is commended as a high class entertainer, one that will interest and please you.

Large Audience Present.

One of the largest audiences of the season witnessed the production of "The Lion and the Mouse," notwithstanding that the play had previously been presented on the local stage. The company was strong, particularly the lady and gentleman assuming the leading roles.

Sutherland Man Gets Ribbons.

James Shoup returned from the Denver stock show with a bunch of ribbons last week. He secured on his hogs one first prize, one reserve championship and three second prizes. The cash prizes amounted to \$35. So long as the competitors were among the leading stockgrowers of the country, Jim naturally feels good because of his ability to share so many prizes—Sutherland Free Lance.

Wyoming Wants Roosevelt.

Progressive republicans of Wyoming, who met and organized at Cheyenne yesterday, declared for Theodore Roosevelt as the republican presidential nominee in the coming campaign and pledged themselves to oppose the "standpat" faction of the party, headed by United States Senator Warren and Congressman Mondell. Men Not Deserting.

Notwithstanding the claims of the Union Pacific that the strikers are returning to work, Sam Grace, district secretary of the machinists' union, says that but two machinists have deserted the union in the last two months, and that but twenty-eight have gone back in the four months since the strike commenced. He says that so far as he knows the other unions are remaining as firm. One machinist returned to work for the Union Pacific this week and one car worker went back to the Illinois Central.

Install Officers.

Walla Walla lodge, I. O. O. F. held installation services last evening in the presence of a very large attendance of members and their ladies. The occasion was one of more than ordinary interest, for in addition to the usual ceremonial there were addresses by Attorney Beeler and Judge Warren and vocal solos by Mrs. W. V. Hoagland. Following the program of exercises and elaborate meal was served in the dining hall by the management of the Ritner House. The evening throughout was a very enjoyable one.

Claims He Was Beaten and Robbed.

Two men claiming Somerset precinct as their home but not divulging their names, fell into the hands of Philistines Wednesday night. They had been transacting business in town and succeeded in meeting some new acquaintances with whom they took several drinks, or enough to become intoxicated. After dark the new found friends took them across the railroad tracks, and when near the waterworks the two Somerset men were assaulted and knocked down. One managed to escape, but the other was robbed of his money—several dollars—and some jewelry in addition to being badly bruised. When he regained consciousness he managed to find his way to the P. & S. hospital, where he had his wounds dressed. He left for home yesterday.

Arrested for Stealing Money.

Sheriff Salsbury goes to Denver this afternoon to bring back a man named Leaman, who is wanted on the charge of stealing ninety dollars and a valise from a fellow workman in the local Union Pacific shops. Hearing Before Insane Board.

Upon complaint of Levi Edis George Anway, who for several years has lived south of the river, will have a hearing before the board of insanity today. Anway has been mentally deranged for some time, though has never shown a vicious disposition. For some time he made his home with a brother; but of late has been living among neighbors and working for his board. Recently he has refused to do any class of work, has acted strangely and it was thought best to file a charge of insanity against him.

Eastern Star Memorial Service.

The first memorial services of Sighth Chapter 55 Order of Eastern Star was held at the Masonic hall on Wednesday evening. Since the organization of the order in 1893, twenty-one members have passed away and these impressive services were held in their memory. The fifteen officers and Worthy Matron Mrs. J. F. Claubaugh were called into the hall by Worthy Patron Arthur Boyd. The roll call of the dead was called after which Rev. C. F. Chapman spoke on Friendship and Memory and an address was given by Rev. G. F. Williams. Upon the altar which was erected in honor of the departed members was the five pointed star and upon this was placed red, white, yellow, blue and green flowers and similar by the ladies as they marched by.
