Band Boys Dance.

The dance given last evening at the Lloyd by the North Platte band was not as largely attended as was expected, the inclement weather probably kept a number from being present. The feature of the evening was the concert given prior to dancing, at which a varied program of popular music was well rendered. The music for dancing was furnished by the full band, and was fine.

There were fifty or sixty couples of dancers on the floor and a hundred or more spectators in the gallery.

Reception at Rectory.

Rev. and Mrs. C. F. Chapman held a reception at the new Episcopal rectory yesterday afternoon and evening, and despite the stormy weather many called to greet the rector and his wife and inspect their new home. The rectory, which was recently completed at a cost of over \$5,000, is well arranged, with a rector's study, parlor, dining room and kitchen on the first floor and four good-sized bed chambers and bath on the second floor; together with several commodious closets. The attic is arranged for storage purposes, and the basement, with cemented walls and floor, and divided into three compartments, is the full size of the building. During the evening Bishop Beecher held a short service, and referred to his association with the old rectory while he was rector of the parish. Refreshments were served both afternoon and evening by the ladies' guild.

Brotherhood Banquet.

The banquet of the men's brotherhood of the five churches will be held at the Ritzner Friday evening. Rev. Geo. A. Beecher, bishop of this Episcopal jurisdiction, will be the principal speaker of the evening.

The announced topic for consideration is "What is being done in North Platte for Men"—in the Y. M. C. A., in the bible school and in the brotherhoods.

It is expected that about one hundred men will attend the banquet.

SOCIETY NOTES.

Mrs. F. W. Rincker will entertain a number of friends this evening.

Mrs. W. C. Reynolds entertained the Som R Set club last evening in an enjoyable manner. Delicious refreshments were served after spending a couple of hours in this popular game.

The young people of the Christian church were pleasantly entertained last evening by Rev. and Mrs. M. C. Johnson. The evening was spent in Som-R-Set. Nicely prepared refreshment were served and all present report an enjoyable time.

Misses Theo Schwaiger and Lucille Wilcox were hostesses to the Junior class at the home of the former Saturday evening. The rooms were hung with the class colors, blue and gold, and carnations were used in decorating. Novel games were followed by card playing and music. Elegant refreshments in which the color scheme was carried out were served at midnight. Misses Esther Schwaiger and Katherine Herrod assisted in serving.

Fifteen Cent Lunch.

The ladies of the Presbyterian church will serve a fifteen cent lunch in the church parlors next Thursday, Feb. 22nd, beginning at 5:30. The menu will be creamed chicken, hot biscuits, beet relish, Washington pie and coffee. The public is invited.

The Masonic fraternity will celebrate the fifth anniversary of the dedication of their temple on Thursday with appropriate ceremonies during the day followed by a banquet and dance in the evening. Bishop Beecher of Kearney will be present.

Debating League.

Supt. Tout, of the city schools, has organized a debating league composed of pupils of the seventh and eighth grades. The object of the league is to encourage public speaking among the pupils, and it is believed that if a beginning is made in the seventh and eighth grades the pupils will continue the practice throughout the high school course.

Up to last evening over ninety pupils had become members of the league and had signed the constitution.

A meeting was called in the high school auditorium last evening to discuss the proposition of purchasing the lot in the Trustees' addition offered by Attorney Shuman as a suitable site for the first ward school. Over forty citizens were present and the majority voted against the site but were in favor of purchasing the lot south of the Neville residence, which was offered by M. K. Neville for \$3,200. Attorney J. G. Beeler acted as chairman of the meeting and called upon a large number of those present for suggestions. No definite action was taken on either site and the matter will be further discussed at an early date.
