Would John D. Rockefeller have been the richest man in the world if he had spent the first money he earned?

HE PUT IT IN THE BANK

When John D. Rockefeller went into the oil fields, he went there with Two Thousand Dollars that he had saved and with which he was ready to take a good business chance. HAD HE NOT HAD HIS MONEY IN THE BANK, he would not have been able to take the business chance that led to his stupendous fortune. John D. Rockefeller was no different from other fabulously RICH MEN. THEIR GREAT FORTUNES were logical results of THEIR FIRST SAVINGS.

A million and a half workers idle, the industry of the country threatened with complete paralysis if the conditions do not change, the price of bread and other foodstuffs advancing, thousands already feeling the pangs of hunger, children going without breakfasts to school, great industrial properties going to ruin through inability to prevent their deterioration, the railway services reduced to a minimum—that is the condition of things in England, Scotland and Wales, and the coal strike is only ten days old.

Have a few choice loans of \$300.00 and upwards. If looking for something safe, paying good rate of semi-annual interest, see them.

Feed is Scarce.

Owing to the long continued severe weather, feed for cattle is getting scarce, and a number of farmers and stock growers are up against a serious proposition. Hay is being hauled from the valley to the hills to supply the needs of those who have fed up their supply of forage. As hay is worth twelve dollars per ton, those forced to buy are anxiously awaiting a cessation of snow storms.

Feisterman Brought to Hospital.

W. A. Feisterman, who was shot at his home in Garden county last week, mention of which was made in Friday's issue, was brought to this city Friday and placed in the F. & S. hospital for treatment. The steel jacketed bullet, which was from a 30-30 gun, passed through Feisterman's left hand, thence through his abdomen and splintered the bone in his right arm and lodged there. The ball was located by the x-ray and extracted.

Mass Convention.

Elsewhere appears a call for a republican mass convention at the court house this evening for the purpose of placing in nomination candidates for city offices. The retiring councilmen are Tracy, Frazier, Donaldson and Buchanan, and the members of the school board who retire are Rasmussen, Schiller and Beeler, and in addition Bullard has resigned.

But little interest has so far been evinced in the election, the only feature being discussed is the license or no license proposition.

Rev. Williams Will Resign.

At the morning service last Sunday, Rev. George F. Williams, pastor of the Presbyterian church, announced that he would tender his resignation at the annual congregational meeting to be held this month. This resignation is to take effect Sunday, April 9th.

Several weeks ago Rev. Williams received a call from the Presbyterian church at Columbus, Neb., and his proposed resignation is evidence that he will accept the call. The Columbus church has a larger membership, the salary is somewhat larger and the field for work is more extensive.

The resignation of Rev. Williams will cause much regret among our citizens.

Favors Court House and Teddy.

Editor Tribune:

I believe in a progressive movement. I am in favor of a new court house because I don't believe in spending money to fix that old one to make a safe place for all records, but I am also in favor of Teddy Roosevelt. By reading The Tribune one would suppose he had no support in Lincoln county because he is willing to answer the people's call. He did not succeed himself, as he said he would not do, but now, after his retirement, he has a right to accept the call. When the populists were in clover years ago a good friend of mine and myself cast the only two republican votes in Nowell precinct. Roosevelt will have one vote at the primary, if no more.

Elks Will Hold a Fair.

At a regular meeting of the B. P. O. Elks last evening it was voted to hold a fair for three evenings, the dates of which will probably be April 18th, 19th and 20th, the latter day being the first anniversary of the dedication of the home. There will be booths for the sale of various articles, voting contests, dancing and other forms of amusement. It will be made the biggest thing of the kind ever attempted in the city.

The annual election of lodge officers took place last evening with the following result: Exalted ruler, R. C. Langford; esteemed leading knight, Frank McGovern; esteemed loyal knight, O. E. Elder; esteemed lecturing knight, Chas. P. Clinton; secretary, E. T. Redmond; treasurer, Harry Dixon; tyler, Clyde Fristo, trustee, J. B. McDonald; delegate to Grand Lodge, E. H. Evans; alternate delegate E. F. Seeger.

F. E. Bullard, who had been in Kansas City, returned Saturday, but will return to the Missouri metropolis in a few days.

The North American Review places her among the most distinguished graduates of Cornell University. In addition to being a scholar, Mrs. Maynard is everywhere praised for the vivid manner in which she presents her subject. Her lectures are delivered with wonderful dramatic power.
