The coroner's jury in the inquest over the body of Roy Blunt, the young farmer who was killed when the escaped penitentiary murders were shot and captured, returned a verdict Friday night recommending that Chief of Police Briggs of South Omaha, his special deputy, John C. Trouton, and Sheriff Hyers, of Lincoln, be held to the district court for the killing of Roy Blunt, and that Sheriff Grant Chase of Sarpy county be censured for not preventing the shooting which resulted in Blunt's death.

No good and sufficient reason has yet been advanced why Senator Brown should be denied the endorsement of a re-election. On the contrary, every test of logic and fairness answers in favor of a second term. He has been efficient and faithful in his service. No suspicion of scandal or insincerity has touched his garments. He has never lacked the courage to defend his convictions or failed to give a satisfactory accounting of his stewardship. He is exactly the kind of a man that Nebraska has needed in the senate for so many years. The mere fact that some other good man wants the job is not enough to justify the people of this state in retiring Norris Brown to private life.

In letter to The Tribune editor, William J. Bryan in part says: "The line is clearly drawn in Nebraska between progressive democracy, as represented by Governor Wilson and Speaker Clark, and reactionary democracy as represented by Governor Harmon. I am indifferent as between Wilson and Clark. I am sorry we have been unable to get together on one man, either one—against the reactionary candidate, Hon. I. J. Dunn, Judge Loomis, Judge Westover, and I are the candidates for delegates at large who are opposed to the nomination of Judge Harmon or any other reactionary. We would like to get this fact before the democratic voters. It is for them to decide whether they want to be represented by progressive democrats."

Senator Lorimer, of Illinois, of Illinois Friday won an overwhelming vindication at the hands of the special committee of eight senators who finished a second investigation of his election by the Illinois legislature in 1909. Twice challenged and once acquitted the committee, by votes of 5 to 3 on vital points, completely exonerated him of any knowledge of legislative corruption. Edward Hines, the millionaire lumberman referred to in the investigation as the man "who put Lorimer over," also got a vindication by the committee. It had been charged that Hines raised a corrupt fund of \$100,000 to elect Lorimer to the senate. The majority repudiated that, and passed a resolution that evidence had shown that he did not raise or contribute any sum improperly.

Washout Delays Traffic.

Traffic was almost abandoned on the Nebraska division of the Union Pacific Saturday and Sunday, due to washed out tracks between Fremont and Valley and at Barton, five miles east of Julesburg. At this latter point the water rushed down a ravine and undermined the abutments of a fourteen-foot steel bridge, causing it to settle several feet, and about one hundred feet of grade was likewise washed away. From Friday night until Sunday noon trains were detoured over the North river branch, using the Burlington track from Northport to Sidney. This caused a delay of about eight hours to each train. The washout was repaired Sunday at noon.

Following the washout at Fremont the Union Pacific detoured its trains via Lincoln and thence over the Burlington to Grand Island, but later the Burlington experienced flood trouble and for about twenty-four hours trains going east were held at Grand Island while those scheduled west were abandoned. Trains due at this terminal Friday night arrived twenty-four hours late, and during the twenty-four hours ending Sunday evening there were no trains from the east. Freight from the west was held in the local yards Sunday night and yesterday. For three days the yards at Grand Island were congested with freight.

In Memoriam.

In loving memory of Cora V. Yates, who died April 1st, 1910. The path by which we twain did go, Which led by tracts which pleased us well, Tho' four sweet years arose and fell, From flower to flower, from snow to snow, As we descended, following hope, There sat the shadow feared of man, Who broke our fair companionship, And spread his mantle dark and cold, And bore thee where I could not see or follow. Placing the Credit.

Through an oversight the name of Rev. R. B. Favoright was not placed to the article appearing in Friday's issue under the heading of "The Open Saloon and Business." It is only proper to place the authorship of the article where it belongs, and more, the views expressed therein do not coincide with those held by the editor.

To the Public.

I hereby announce that I have filed for the republican nomination for county attorney. If re-elected I shall endeavor to enforce the laws as heretofore, without malice or prejudice and at the minimum cost to Lincoln county, and shall continue to be diligent and active in securing sentences, without the expense of long and expensive trials, where guilt is patent.

GEO. E. FRENCH.

Must Pass A Physical Test.

A press dispatch from Chicago says that Dean Walter T. Summer of the Cathedral of Saints Peter and Paul recently delivered a sermon upon the "sacrament of marriage" during which he made the following announcement:

"After consultation with the Right Rev. C. P. Anderson, bishop of Chicago, and with his approval, Dean Summers and his co-workers of the cathedral of St. Peter and Paul have agreed upon an advanced policy with regards to the administration of marriage in the cathedral. Beginning with Easter, no persons will be married at the cathedral unless they present a certificate of health from a reputable physician to the effect that they are normal, physically and mentally, and have neither an incurable or communicable disease.

"This step is taken only after months of study of the situation and deliberation as to its advisability. It is believed that this stand will meet with the immediate sympathy of the clergy in the church at large, all of whom have long felt the undesirability of being party to the marriage of persons who, because of their physical condition, should never be allowed to enter into the marriage state and propagate their species."

WHEN HER BACK ACHES

A Woman Finds All Her Ambition And Energy Slipping Away

North Platte women know how the aches and pains that often come when the kidneys fail make life a burden. Backache, hip pains, headaches, dizzy spells, distressing urinary troubles are frequent indications of weak kidneys and should be checked in time. Doan's Kidney Pills are for the kidneys only. They attack kidney diseases by striking at the cause. Here's proof of their merit in a North Platte woman's words:

Mrs. Mary Hollenbeck, 520 E. Eleventh St., North Platte, Neb., says: "In a statement endorsing Doan's Kidney Pills, given in August, 1907, I told how several years previous, I had suffered from a severe ache in the small of my back. I arose in the morning, feeling stiff and lame and it required a long time for me to straighten. The kidney secretions also annoyed me greatly. Doan's Kidney Pills, procured from McDonell & Graves' Drug store (now Schiller & Co's. Drug Store), proved beneficial and no other remedy I have ever taken has given me more relief. I do not know how I could get along without them."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
