Knights of Columbus Initiation.

Sunday, April 28th, was a day which will ever be memorable in St. Patrick's Council No. 1211 Knights of Columbus. A class of eighty-one was taken into the membership, the inclement weather preventing the arrival of the other forty-one members which composed the class. The knights and candidates met at the I. O. O. F. hall at 8 o'clock a. m. and proceeded in a body to early mass at St. Patrick's church. The greater part of the church was held in reserve for them, special music rendered by the choir and an eloquent sermon delivered by Rev. McDaid.

At noon the initiation began and the various degrees were conferred upon the aspiring knights. The meeting continued until 9:30 p. m. when a sumptuous banquet was served in the Lloyd opera house which had been elaborately decorated with red and white streamers, large flags, potted plants and pink roses.

Five tastefully set tables extended the length of the hall and were presided over by fifty members of the Catholic Girls' club gowned in white and carrying red carnations which they distributed to the three hundred knights who sat at the banquet board. Sweet music was rendered by an orchestra under the direction of Miss Josephine O'Hare.

Rt. Rev. Tihen, Bishop of Lincoln, asked the blessing after which an elegant menu was served and the knights did full justice to the good things placed before them. W. E. Straub of Lincoln council ably filled the toastmaster's chair, his clever remarks and introductions being well received. Miss Sadie Trovillo and Mrs. Frank Avery of Paxton, rendered beautiful vocal solos which were generously applauded.

Dr. N. McCabe, of the local council responded to a toast "The Ladies" which was interesting, short and much enjoyed. The principal address of the evening was delivered by Rt. Rev. Tihen, Bishop of Lincoln, who is one of the best read, intelligent and brilliant men in the state. He held the undivided attention of all and was frequently interrupted by loud applause. He spoke highly of the local council, and expressed the pleasure which it gave him to be their guest. A picture of the knights and ladies were taken while they were seated. The evening closed with a smoker and social conversation during which the visiting knights, many in number, had an opportunity of meeting and conversing with the representatives of various councils. The gallery was used by the families of the local council.

The decorating committee was composed of Messrs. O'Connor, McGovern, Tobin, Schatz, Doran and to Messrs. Pass and Landgraf are due the credit of so large a class of candidates.

Pass Up Platte Valley Route.

Through lack of organization on the part of the cities on the Platte valley auto route from Omaha to Denver, the Denver excursion of some sixty cars of autoists who make a sociability run next month from Denver to Chicago, have decided to take the Republican river route. The party was expected to reach here Sunday, May 19th, and take dinner and replenish their supply of gasoline. Had the Platte valley towns pushed the button as vigorously as did the Republican valley towns, the former route would have been selected.
