CURED TO STAY CURED! How a North Platte Citizen Found Complete Freedom From Kidney Troubles.

If you suffer from backache, From urinary disorders, From any disease of the kidneys, Be cured to stay cured. Doan's Kidney Pills make lasting cures.

North Platte people testify. Here's one case of it. Henry G. Brooks, 815 West Fifth St., North Platte, Neb., says: "I think as highly of Doan's Kidney Pills today as I did in August, 1907, when I publicly recommended them in the North Platte papers. I suffered from sharp, piercing pains through the small of my back and kidneys and was annoyed by irregular and painful passages of the kidney secretions. Doan's Kidney Pills, procured from McDonnell & Graves' drug store (now Schiller & Co.) banished the pains so that I felt like a different man and corrected the disordered condition of my kidneys. I have had no serious trouble since then and I give the full credit of my present health to Doan's Kidney Pills. For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's and take no other.

Active operations looking toward the establishment of a wireless system to be used in dispatching trains and transacting business of the Union Pacific have been commenced. The antennae will be located on the headquarters building, the top of the mast rising forty or fifty feet above the roof, or about 325 feet above the curb line. Power will be supplied by the engines and dynamos in the building. It is estimated that gram waves can be sent through the air a distance of from 1,500 to 2,000 miles with the power at hand.

Congressman Kinkaid is always looking to the further development of his district—even his most ardent opponents will have to give him credit for that! He is looking closely after the advancement of the bill that would open for settlement the Fort Niobrara military reservation, which would provide 8,000 acres for quarter section farms and open 45,000 acres more under the Kindaid act—a whole section of land per settler, this land being more largely grazing land. He is some Moses in leading things out of wilderness into settlement and development.—Grand Island Independent.

MANY Are Anxiously Awaiting Their Return.

Associated Doctors, Specialists, Will be in North Platte at Pacific Hotel Saturday, May 11th.

ONE DAY ONLY. These are the Doctors you no doubt have read about. While you may not know them personally, you may know them by reputation or through some of your neighbors, they have treated.

The remarkable success of these talented physicians in the treatment of chronic diseases has aroused much enthusiasm in the Northwest.

This is said to be and no doubt is true, one of the most able specialists organization of its kind in this section of the country, and must be a successful one from the many good results they are getting.

The Associated Doctors, licensed by the state of Nebraska for the treatment of deformities and nervous and chronic diseases of men, women and children, offer to all who call on them, consultation, examination, and advice free.

It is especially requested that married ladies come with their husbands and minors with their parents.

The name, Associated Doctors, is what it implies a union of specialists twelve in number that have gotten together for the treatment of chronic and nervous diseases. Not to be understood that they treat all diseases that the human body is heir to. They mean to be very careful in selecting and taking cases as they want good results, which means good returns in the way of their patients recommending them to others. They estimate that over eighty per

cent of the patients now coming to them, come from recommendations of those they have treated. They do not treat any acute diseases whatever, their time and attention being devoted to such diseases as follows:

Diseases of the stomach, intestines, liver, blood, skin, nerves, heart, spleen, kidneys or bladder, rheumatism, sciatica, diabetes, bedwetting, leg ulcers, weak lungs and those afflicted with long standing, deep seated, chronic diseases, that have baffled the skill of the family physicians, should not fail to call.

According to their system no more operations for appendicitis, gall stones, tumors, or goiter. They were among the first in America to earn the name of the "Bloodless Surgeons" by doing away with knife and with all pain in the successful treatment of these dangerous diseases.

BELOW ARE THE NAMES of a few of the many patients that have many good things to say for the Associated Doctors. Grace Munk, Dell Rapids, So. Dak., catarrh and deafness. Mrs. O. G. Anderson, Mina, So. Dak., nervous and kidney trouble. Mrs. John H. Kieser, Yankton, S. D., nearly dead with heart and kidney trouble producing dropsy, was given only a week to live in, short time under their treatment was doing some of her household.

John Gerlach, Agar, S. D., old sore on lip. Bert Clark, Selby, S. Dak., so possessed with Associated Doctors treatment, brought his father in for treatment. Mrs. Frank Gray, Hazelton, N. Dak., catarrh of stomach, general debility. Anton DeYoung, Ashton, S. Dak., rheumatism, writes he is doing fine. Mrs. Sherman Vann, Huron, S.
