Are you comfortably fixed? You can be if you Bank your money NOW

Every man looks forward to being comfortably fixed some day, but whatever any man looks forward to cannot be acquired over-night. If you want to be comfortably fixed SOME DAY, you must begin by starting a bank account NOW. Your money is safe in the bank, and your keen interest in seeing your balance in the bank grow is the thing that will make it grow.

Commencement Exercises.

The graduating exercises of the class of 1912 were held at the Keith theatre Friday evening. The theatre was crowded with parents, friends and schoolmates of the graduates. The program opened with an instrumental solo by Miss Eva Pickerman followed by an invocation by Rev. Patrick Mc-Daid. Vocal solos were rendered by Miss Faye Carpenter and Mrs. Elizabeth Cramer, after which Hon. D. Love, of Lincoln, delivered the principal address of the evening taking as his subject "Various Parasites."

The diplomas were presented by E. T. Trapp, president of the board of education, after which a violin solo was rendered by Miss Irene VanTrot and benediction given by Rev. R. B. Favoright. The class roll number twenty-two young ladies and gentlemen who start out in life under very favorable conditions, having graduated with highest honors and possessing the talents, confidence and ability for a successful career in their chosen vocation. The stage was decorated in class colors, palms and ferns and the class formed a semi-circle across it. The gowns of the young ladies were beautiful and each carried a large bouquet of white roses the class flower. The motto of the class is "Never let the weather interfere with your Plans" and the class colors are green and white.

Model 29 Buick—Price \$1,325.

In the Model 29 BUICK, we offer a touring car of 37 H. P. The straight-line body has a five passenger capacity. In design and finish, it is particularly handsome, and has been exceedingly well received by the public. It is one of the Big Hits of the year 1912, and will compare with any other car selling up to \$1500.00. Notice the road clearance, 11 1/2 inches or the noiseless overhead valve motor. Another feature in this model, is the unit power and transmission plant. Look at the brakes; make note of their size and action. Then after you have seen all these and numerous other points, remember that this car is manufactured, not "assembled" by the BUICK COMPANY.

Demand value received for your money. Whenever you consider purchasing a car, remember that the BUICK asks a price that you are justified in paying.
