DANGER IN DELAY.

Kidney Diseases are too Dangerous For North Platte People to Neglect.

The great danger of kidney troubles is that they so often get a firm hold before the sufferer recognizes them. Health will be gradually undermined. Backache, headache, nervousness, troubles, dropsy, gravel and Bright's disease may follow as the kidneys get worse. Don't neglect your kidneys. Help the kidneys with Doan's Kidney Pills, which are so strongly recommended right here in North Platte.

George W. Weinberger, 109 West Ninth St., North Platte, Neb., says: "Two years ago I became afflicted with kidney trouble and suffered with agonizing pains through my back. I gradually grew worse, became all run down. My kidneys did not perform their functions properly. Learning of Doan's Kidney Pills, I procured them from McDonnell & Graves' Drug store (now Schiller & Co.) and after I had taken the contents of six boxes, I was entirely cured. Prior to using Doan's Kidney Pills, I had to lay off from work for several months, but after taking this remedy only one month I was able to resume work."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name Doan's and take no other.
