Important, if True.
There is a rumor current in town that work on the proposed Union Pacific round house and other terminal improvements will begin between July 1st and July 15th. For this work the Union Pacific has made an appropriation of about three hundred thousand dollars, which means the employment of a large number skilled and unskilled workman and the distribution of a great many thousands of dollars through the local channels of trade. We trust this rumor will prove to be well founded and that work will begin as stated.

Organize Country Club.

Telephone Company will Change to the New System Saturday evening, June 1st, at 10:00 p. m.
The Nebraska Telephone Co's new exchange is now ready for service and the "cut over" will be made Saturday night at 10:00 p. m. After that hour subscribers will use the new telephones. New directories will be delivered to every telephone and any subscriber who has not received a copy by 4:00 p. m. Saturday, will please call information operator and advise her of the fact. Special attention is called to the importance of using the new directory. Practically all of the numbers were necessarily changed and it is of the utmost importance that the numbers be looked up in the new book before calling. The management wish to express their appreciation of the forbearance of our patrons during the rebuilding period. We had a great deal of trouble which was unavoidable but none the less inconvenient for our subscribers, and their unfailing patience under these trying circumstances was appreciated by every employee of the company. We thank you for past favors and assure you of our utmost endeavor to serve you satisfactorily in the future.

Our New Perfection Broiler

Is pleasing many women. It enables the housewife to broil as well on the New Perfection Stove as over a coal fire.

It uses all the heat. It cooks evenly. It broils both sides at once. It doesn't smoke.

And of course you are familiar with the **New Perfection Oil Cook-stove**

It is such a convenience all the year round. It will bake, broil, roast and toast just as well as a regular coal range. Ask to see the New Perfection Stove at your dealers. It is handsomely finished in nickel, with cabinet top, drop shelves, towel racks, etc. It has long, ornamental, turquoise-blue chimneys. Made with 1, 2 or 3 burners. Free Cook-Book with every stove. Cook-Book also given to anyone sending 5 cents to cover mailing cost.
