There is a rumor of a cut in force at this terminal but nothing definite can be learned.

All life is a 'whiz'—and every third whiz on the road is a Ford. It's the car of the millions and the millionaire—lightest, rightest, most economical. Many thousands of the seventy-five thousand we are building this year are being sold to owners of more expensive cars.

All Ford's are Model T's—all alike except the bodies. The two passenger runabout costs \$590—the five passenger touring car \$690—the delivery car \$700—the town car \$900—f. o. b. Costs less and lasts longer—

Have you been using tin, or iron, or tar, or shingles for roofing your buildings? Peerless Prepared Roofing costs less than any of them in the first place and in the "long run." Perhaps you've tried another brand of prepared roofings? We can prove to your absolute satisfaction that while

Peerless Roofing

costs more than some brands it will outlast and out-satisfy the best among the rest.

The only things you need to lay a Peerless Roof are a hammer and a pair of hands. Everything else, including directions, is packed in the roll. A roof that would take a week to shingle can be covered with Peerless in an afternoon. By the way, fire insurance companies endorse Peerless Roofing. What do they say about shingles?

There are two business reputations back of every roll of Peerless Roofing we sell. The manufacturer's and our own. And we've both spent too many years building up a reputation for right goods and fair, square dealing to take a chance now. That's why Peerless Roofing is absolutely guaranteed.

THERE IS ENJOYMENT

In smoking our cigars, first because they are made of the best leaf tobacco, second because they are hand-made and last because we put better tobacco in our nicker cigar than some manufacturers do in ten-centers. We know we make a good cigar; hundred of smokers in North Platte know it, but hundreds of others ought to know it. Patronize home industry.
