Mutual Building & Loan Association

OF NORTH PLATTE, NEBRASKA.

Paid in Capital and Surplus \$462,852.51.

Prospective Building & Loan borrowers should carefully investigate the advantages offered by this Association before doing business with any foreign Building & Loan Association.

Borrowers in this Association save over eighty per cent of the preliminary expenses charged by foreign associations; have smaller monthly dues on the amount borrowed; pay a less rate of interest; receive twenty per cent larger dividends and with the same amount of monthly payments would mature their loans in a year's less time; and have a more liberal contract in regard to repayments before maturity. Plenty of money on hand at all times to close loans.
