A light frost was reported Wednesday morning by farmers. Some have scouted at this report, but Observer Hardin, of the local weather bureau, says a frost was possible at that time. He reported a temperature of thirty-eight that morning, and says that his instruments are ten feet above ground, and that at some particular low place the temperature would warrant a light frost.

Mr. Gus Buchfinch of this city was married at noon Wednesday in Grand Island to Miss Nora Gorham of that city in the parlors of the Catholic church by Rev. Wolfe. After a honeymoon trip to eastern cities they will become residents of North Platte. Mrs. Buchfinch has frequently visited friends here who will be pleased to renew their acquaintance. The groom has been employed by the U. P. as fireman for several years and is a general favorite with all whom he has associated in this city and Grand Island.

Should Accept Proposition.

At a meeting of the city council Tuesday evening the A. O. U. W. lodge presented a proposition to lease the ground floor and part of the upper floor of their proposed new building to the city for fire department purposes. The building will be 33x100 feet, and for the ground floor and two large rooms on the second floor a rental of \$75 per month is asked.

The Tribune favors accepting the lease, not because it is made by the A. O. U. W.—the editor is not a member of the order—but because the time has come, when some move must be made toward bettering in several ways our fire department, which has, we all must admit, become somewhat disorganized.

This disorganization comes through lack of interest on the part of members, and this lack of interest is due to the lack of encouragement and appreciation on the part of our citizens. The members realize the need of quarters for the apparatus and rooms for their comfort and convenience; and if such were provided a wonderfully renewed interest and activity would result.

The proposition to vote bonds for a city hall and fire department headquarters was turned down; the next best thing is to rent suitable quarters, and the A. O. U. W. building is the opportunity.

The Tribune calls on our public spirited citizens to boost this proposition along and thus assist in recognizing our fire department and making it more efficient.

Garman-Lowe.

The home wedding of Miss Charlotte Lowe and Mr. Clarence Garman which took place at the Lowe residence Wednesday evening was as pretty as it was simple and impressive. Only relatives and a few close friends witnessed the ceremony which was performed by Rev. Charles B. Harman at 8:30.

The decorations consisted of bouquets of white roses, wreaths of simlax and ropes of green and white hearts tastefully hung from the doorways and corners of the room.

The young people were made man and wife beneath an arch of white honey-suckles and ferns at the side of which stood large palms.

The bride wore an exquisite gown of fine embroidery with lace trimmings and carried a sheaf of killarney roses. She was unattended.

Miss Grace Ogier niece of the groom, played the wedding march and during the ceremony played Hearts and Flowers. An elaborate supper was served on small tables decorated with bouquets of peonies, green hearts and shaded candles and in the center of the bridal table was a mound of white roses, carnations and asparagus fern. The wedding gifts were as costly as they were beautiful.

Mr. and Mrs. Garman left on the midnight train for Salt Lake City and Denver to spend a fortnight. The bride is one of North Platte's products, and has been one of the most efficient of the local school teachers. She is the eldest daughter of Mr. and Mrs. Theodore Lowe.

The groom is employed as brakeman for the Union Pacific, is faithful in his work and popular with all who know him. They will make their home in this city.

City Council Proceedings.

The city council met in regular session with the following members present: Mayor Patterson, Councilman Brock, Crosby, Frazier, Herminghausen, Hoagland, Owens and Sullivan. Councilman Tracy being absent. A petition was on file from the doctors of the city, asking that the bicycle ordinance with reference to riding on the side walk be repealed or amended so as to give them the right to ride on the walks, setting up the fact that there was a great inconvenience to both themselves and their patients, and an ordinance was ordered drawn to repeal said bicycle riding ordinance and another ordinance ordered drawn regulating the riding of bicycles on the side walk, the same to be presented at the next regular meeting of the council.

The A. O. U. W. lodge presented the proposition to the city, stating that they were going to build a lodge room right west of the VanCleave blacksmith shop and they would like to lease the floor and some of the up-stairs rooms, if wanted by the city, for the fire department and other necessary offices. The matter was discussed and finally referred to a special committee consisting of Brock, Frazier, Crosby, Herminghausen and Sullivan, with instructions to investigate and report at the next regular meeting.

July 1st, being the date that the term of three of the members of the Library board expires, said members being E. T. Tramp, Chas. McDonald and Nicholas McCabe, upon motion they were unanimously re-elected for the coming three years.

The Water Commissioner was instructed to investigate a side track proposition to the water works plant, similar to the spur that the Electric Light people have. This would be a great saving in drayage, as well as in coal. The idea being to place the spur down the alley off the electric light spur, so that cars could be pulled in and backed down the alley to the water works coal bins.

The well proposition at the water works was reported on by the Water Commissioner and part of the council and it was thought necessary that the different points be drawn and cleaned, also found that the wells were not in as bad condition as they expected to find them.

However, the points were much corroded. The Water Commissioner, together with the water committee, was instructed to proceed with the work, with power to act.

The initiative and referendum proposition which was filed with reference to the telephone ordinance now in effect, and the resolutions passed by the council some time ago, consenting to the assignment by the North Platte Telephone Company to the Nebraska Telephone Company was considered and the city attorney instructed to draw an ordinance in accordance therewith and take it up tomorrow evening.

Several bills on the water fund and general fund were allowed together with the refund to Geo. E. French of \$2.00 for taxes for cutting weeds, which had been collected twice.

Council adjourned until this evening at 8 o'clock.

Mrs. J. G. Beeler, who spent the past two weeks with her mother in Lincoln, returned last night.

Walter Herzog, who was injured on the freight cars while here with the Cole Bros. circus, will be discharged from the P. & S. hospital Monday.

Miss Pearl Weeks will entertain a number of friends at a pre-nuptial mystery shower for Mr. Clyde Gideon and Miss Hazel Huntington who will be married Wednesday.

Ordinance No. 20.

An ordinance prohibiting the maintenance or use of privys or water closets with open vaults and cess pools, or not having sewerage connections with the sewerage system of the city of North Platte, within certain limits of said city of North Platte, declaring the same to be a nuisance and providing a penalty for violation of this ordinance.

Be it obtained by the mayor and council of the city of North Platte, Nebraska:

Sec. 1. It shall be unlawful for any person, firm or corporation, who controls, owns, occupies or is in possession of any premises within that part of the city of North Platte, described as follows: All that part of said city lying south of Seventh street, North of First street, East of Oak street and west of Chestnut street, and also block 87 of the original town of North Platte, Nebraska, to permit any water closet or privy with an open vault or cess pools, or not having sewerage connections with the sewerage system of the city of North Platte to be upon, maintained or used upon said premises, by any person whatsoever.

Sec. 2. In that part of the city of North Platte, described in section 1 of this ordinance, all water closets or privys with open vaults or cess pools or not having sewerage connections with the sewerage system of the city of North Platte, are hereby declared to be a nuisance, and every person, firm or corporation who owns, controls, occupies or is in possession of said premises, or which said privy or water closet or cess pool is located is guilty of maintaining a nuisance and shall be punished as is provided in this ordinance.

Sec. 3. Any person, firm or corporation who owns, controls, occupies or is in possession of premises located in that part of the city of North Platte, described in Sec. 1 of this ordinance, upon which there is a privy or water closet or cess pool, such as is prohibited by section 1 of this ordinance shall have 180 days from the date of the passage and approval of this ordinance to cease the use of the same or to cause the use of the same to be ceased and to abate the same and after said time any person who has not caused the use of said privy or water closet or cess pool to cease and who has not abated the same shall be liable to all the penalties provided by this ordinance.

Sec. 4. Any person, firm or corporation violating any provision of this ordinance shall be guilty of misdemeanor, and on conviction thereof shall be fined in any sum not to exceed \$100.00 and shall stand committed until such fine and costs are paid.

Sec. 5. This ordinance shall be in force and take effect from and after its passage, approval and publication as provided by law.

THOS. C. PATTERSON,

Mayor.

Attest: CHAS. F. TEMPLE,

(Seal) City Clerk.
