Make it a Big Ben Christmas on the farm

Big Ben's big, round, smiling face is as jolly as that of old Santa Claus himself.

Get one for each member of the family, one for the farm hands. Sneak him in while they sleep.

Let him wake them Christmas morning. No Christmas bells were ever more merry than Big Ben's tuneful call.

Big Ben is not an ordinary alarm clock. He is a splendid timekeeper for all day use.

He's sturdy, well set and long lived.

He's easy to read, easy to wind and pleasing to hear.

I have some in my window. Drop in and look at them, next time you drive to town.
