Diminishing Railroad Returns.

Monthly summaries of the revenues and expenses of the steam railroads of the United States have been compiled by the Bureau of Railway Economics from the reports filed month by month by the railways with the Interstate Commerce Commission, for the twenty-two months from July, 1910, to April, 1912, the latest month for which returns are available. Net operating revenue per mile of line for the railways as a whole in comparison with the corresponding months of the previous year decreased in eighteen of these months, and increased in but four. The decrease per mile of line per month was as great in amount as \$53, and as great in ratio as 15 per cent. The greatest increase for any one of the four months showing increases was \$31, or 14.1 per cent. This was in February, 1912, and was exceptional as this month contained one more day than February, 1911. The highest average net operating revenue per mile of line for any one month of this period was \$409, the lowest \$203.

Seven of the ten months from July, 1911, to April, 1912, show decreases in net operating revenue per mile of line as compared with the corresponding months of the fiscal year ending June 30, 1911; and eleven of the months of the fiscal year which ended June 30, 1911, showed decreases in comparison with the respective corresponding months of the fiscal year ending June 30, 1910. It is therefore evident that the trend of railway net revenue has been downward for the past two years.

Many a lame, weak and aching back is bad no more, thanks to Doan's Kidney Pills. Our citizens are telling the good news of their experience with the old Quaker Remedy. John T. Hollenbeck, 520 E. 11th St., North Platte, Nebr., says: My kidney trouble started during the Civil war. When I returned home the privations had undermined my system and deranged my kidneys. I used Doan's Kidney Pills, which I procured from McDonell & Graves' Drug store, (now Schiller & Co's) I have appealed to them on numerous occasions and the results have always been excellent. Of course, I am pretty old now, past eighty, and must expect some trouble but I feel that in Doan's Kidney Pills, I have something that will always give me relief."
