Announcement

I herewith announce my candidacy for county commissioner on the republican ticket and ask the support of all citizens and pledge to conduct the county affairs in an economical and business way if elected.

IRA L. MILTONBERGER.

Why Desert?

From the standpoint of those leaders of the new "progressiveism" who have never been republicans and never take any pride in the record and achievements of the republican party, there need be no hesitancy in severing relations with the old organization and joining a new one.

But why should these republican "progressives" so hastily despair of the old party? In its many years of usefulness it has achieved many victories for progress.

As matters stand, Wall street as an entity has no favorite at present, but if any candidate can be called Wall street's favorite, it is the colonel, because in furtherance of his political fortunes more money has come from Wall street men than ever before for any presidential candidate.

Wall street men did not lift a finger to help the president in the campaign preceding his nomination. The Standard Oil people are not at present in politics. Their combination stand dissolved and it seems that they do not care who may be the next occupant of the White House.

These two biggest trusts and their beneficiaries contributed, according to current estimates, about \$2,500,000 to renominate Mr. Roosevelt and they stand ready to contribute more should he run as a third candidate.

As matters stand, Wall street as an entity has no favorite at present, but if any candidate can be called Wall street's favorite, it is the colonel, because in furtherance of his political fortunes more money has come from Wall street men than ever before for any presidential candidate.

Elder Replies to "Republican."

Editor of the Tribune: I notice in your paper, a letter signed "Republican" severely criticizing the committeemen of North Platte in regard to the calling of the precinct caucuses and feel it my duty as chairman of the republican know as far as possible what the conditions were.

A. S. Coates is committeeman in precinct No. 1, A. E. Huntington in Precinct No. 2, W. V. Hoagland in Precinct No. 3 and H. J. Diener in Precinct No. 4.

I know nothing about any of the caucuses except the one held in Precinct No. 2, where I reside and I suggested to the committeeman that a notice be put in the papers and presumed that a notice had been. I called the convention about three weeks earlier, notifying through the papers of the county and by writing letters to all of the committee outside of North Platte of such call.

I assure you, Mr. Republican, that you will have my most earnest assistance in making every effort possible to uncover any fraud that even may have been attempted in any of our caucuses and I ask you to come and see me in order that we may take the matter up and sift it to the bottom and if necessary, take it before the convention.

Wheat Crop is Enormous.

The Burlington's statistical department figures the winter wheat crop of Nebraska this year is going to be close to 55,000,000 bushels, which is approximately 4,000,000 bushels more than the former high water mark.

Last year the yield was 38,500,000 bushels. Last year the condition the middle of July was placed at 68 per cent. This year the increase acreage is 740,000 and the per cent of condition 72.

According to the last estimate of the government made on the wheat crop of the United States the yield was placed at 358,000,000 bushels. In the event this is reasonably correct and the yield of Nebraska is near the estimate it places the state up in the front ranks, growing more than one-seventh of the wheat raised in Uncle Sam's domain.
