TWENTY-SEVENTH YEAR.

NORTH PLATTE, NEB., AUGUST 23, 1912.

No. 59

## One of the finest, modern, seven-room houses in North Platte for sale at a bargain.

Two story, frame house, seven rooms, bath (fully equipped) basement under whole house (8ft. ceiling in basement with 1 1/2 ft. fall to sewer). Oak finish throughout. Electric lights. Hot and cold water up and down stairs. 86ft. lot with board fence around back and good chicken house. All walks in front and around house in. Nice lawn. House built not quite one year ago.

Most of the rugs, all linoleum on kitchen, pantry and back porch, and some furniture left in the house, which is all new.

Parties owning this property wish to go away this fall, consequently have placed a very low price on the property. Several hundred less than the property can be duplicated for. See or phone me at once about it, so that I can show you the property and quote you prices and terms.

## Temple to Close Out Taylor's Addition.

In order to close up the sale of lots in Taylor's Addition within a short time, Mr. W. L. Crissman made a contract with me before leaving, for the sale of the lots he has in this addition. He reduced the prices on the lots from ten to twenty per cent and made terms that any one can handle.

The lots that are left for sale are scattered through said addition, many of them being between houses already built, which would make the lots worth at least fifty per cent more than they were worth when the addition was opened up, however, these lots will be sold at lower prices than originally quoted. See me at once, as there are not many, and they will not last long.

### Commissioners Make Levy.

The county commissioners were in session Wednesday and made the annual levy on the taxable property of Lincoln county.

The county levy this year is thirteen and eight-tenths mills, seven and seven-tenths mills for the general fund, two and three-tenths mills for the bridge fund and three and eight-tenths mills for the road fund.

The state levy is five and one-half mills, the city levy is twenty-one and one-half mills and the levy in the North Platte school district is thirty-six mills. The North Platte resident will pay a total levy of seventy-six and eight-tenths mills on the dollar of assessed valuation.

Miss Anita Steizer, who has been spending the past week in Sutherland with relatives, came down this morning and will spend several days with Miss Maude Owens before returning to her home in Lincoln.

Last evening Will Hendy established a new speed record between Tryon and North Platte, covering the thirty-five miles of sandy road in one hour and eight minutes with a Ford car.

Mrs. Wilcox returned last evening from Cozad, where she had been visiting her son D. P. Wilcox.

### Hershey Times Items.

The senate measure passed increasing the pay of all rural carriers. The basis is a twenty-four mile route and the minimum rate will be \$600 and the maximum \$1,200 per annum according to length of route. This will increase the carrier's salary on route No. 1 out of Hershey about \$100 per annum and carrier No. 2 will receive approximately \$60 per annum increase.

Fred Marquette, living south of Hershey, had quite a smash-up last Thursday afternoon, when a double-tree on the hay rack he was using broke and scared his team of mules starting them to run away. They pulled him up against the front boards of the rack dislocating his shoulder blade and breaking a couple of ribs. He is getting along nicely at this writing.

The news comes from up the Birdwood creek that one of Wm. Matthewson's girls had climbed a corn stalk to see how the corn was getting along and the stalk is growing faster than she can climb down. She is out of sight. Three men have undertaken to cut down the stalk with axes and save the girl from starvation but it grows so fast that they can't hack twice in the same place. The girl is living on nothing but raw corn and has already thrown down four bushels of cobs.
