Order Modified.

Under date of August 28, following the first assistant's order of August 24, it is stated that Postmaster General Hitchcock has completed plans whereby the new postoffice bill will not interfere with the handling of important mail on Sunday. The postmaster general states that holders of lock boxes in first and second class offices will have access to them, but no deliveries will be made by carriers or at postoffice windows. Hotel guests and daily newspapers will receive their mail at postoffice boxes, the mail being sorted on trains.

Postmaster Davis says that for the present the rules which have governed the local office will be continued.

Cottage For Sale.

Wanted—Girl for general housework by Mrs. Thomas Healey.

The report that attorney Jim Motherhead would go to Missouri and wed an Ozark mountain girl, is incorrect. However, he will leave Sunday for Denver and other Colorado points on a two weeks' vacation. The fact that he is not soon to become a benedict is a relief to a number of North Platte girls.

The postmaster general says the law relating to Sunday closing of postoffices has been misconstrued, but his explanation seems to be opposite to the circular issued by his department. Under his interpretation of the law those who have boxes can secure their mail on Sunday.

Experimental Sub-station.

Albert Harshfield, who was brought down from Belle Fourche, S. D., the early part of the week by Sheriff Salisbury, was released on bail yesterday and will have a hearing Tuesday of next week. You can buy a better pocket book at our store at our sale for \$2.00 than you can buy elsewhere for \$4.00 call and be convinced. DIXON, The Jeweler.

Last Sunday in some unaccountable manner a team of valuable mares belonging to A. W. Arnett that he had in S. J. Koch's pasture south of town, fell in the old irrigation ditch that runs through it and were injured to such an extent that they died from the effects of the fall. It is thought the horses began running and as these mares were strangers to the lay of the land ran over the banks of the ditch. Both mares had colts by their sides which were uninjured. This is quite a loss to Mr. Arnett as we understand just recently he was offered close to \$400 for the team. —Hershey Times.

Crab Apples for Sale.
Fine Whitney crabapples for 50c per bushel at the farm. N. B. SPURRIER.

Al Diener Passed Away.

Al Diener passed away at ten o'clock last night at the home of his sister, Mrs. P. Lloyd, death being due to tuberculosis of the spine, with which he had been afflicted for about two years. The deceased had lived in Lincoln county for a number of years, but in 1904 moved to Ohio. Two years ago, when his health began failing he returned to North Platte and since then had practically been an invalid.

To mourn his loss there is a mother, two sisters and eight brothers. At this time funeral arrangements had not been made.

Something new to remove sunburn and tan. Cocoa Nut Butter Cold Cream. Sold only at The Rexall and Nyal Drug Stores. 59-4

North Platte and Lincoln county promises to be well represented at the state fair at Lincoln next week. It is really too bad that we cannot get up enough enthusiasm to make a Lincoln county exhibit at the fair.

The Hall county sheriff came up yesterday and took into custody a woman named Nichols, her daughter and her son. The woman is wanted on a charge of desertion, a warrant having been issued by the husband and father of the trio.

Cut glass, bright, sparkling cuttings, new shapes, a very large line this year and prices right. CLINTON, Jeweler & Optician.

Land seekers who are now visiting Lincoln county all agree that our crop conditions are considerably ahead of those in the eastern part of the state. They say we have better small grain, better corn and better alfalfa than is found on 150-acre land in the eastern counties.

For Sale—Ten fine residence lots in Taylor Addition R. B. Reid.

Among the east bound freight yesterday was a car containing the Cheyenne county exhibit to be made at the state fair. Crops are fine in Cheyenne county this season, and the Sidney people do not believe in hiding their light under a bushel—they want the world to know that there is a Cheyenne county and it is some pumpkins in the agricultural line.

Fielding and Betting.

"Oh," was the answer, "it's important, of course, but it isn't worth much unless there is good batting."

A Bluffer.
