RAILROAD NOTES AND PERSONALS

Cars Handled.
During the month of August 56,000 cars—in round numbers—were handled through the local yards, which is an increase of 4,000 over August of last year. These figures include both incoming and outgoing cars, and as these means a double handling, the actual number of cars passing through this terminal was therefore 28,000.

So far this season 425 fruit trains have passed east. Any train that has fifteen or more cars of fruit is designated as a fruit train. These trains averaged about thirty cars of fruit to the train, or a total of 12,750 cars.

The stock trains so far this season has numbered 275. Five cars or more of stock on any one train designates it as a stock train. These trains have run from five to fifty cars of cattle, horses and sheep.

Frank Rork has returned from a short visit in Hot Springs, S. D.

Night Yardmaster VanCleave will leave in a few days for a week's visit in the central part of the state.

Night Foreman Crissler returned this week from a two weeks' visit in Salt Lake and other western points. He was accompanied by Mrs. Crissler.

Mrs. E. H. Harriman and party who spent the Summer on her ranch in Idaho went thru yesterday afternoon to Chicago on her special train of four cars.

Nine cars of grading equipment consisting of horses and scrapers belonging to the Kilpatrick company passed east Wednesday and will be put in service on the new road between Hastings and Gibbon.

Freight receipts this week included two cars of Kansas grapes, one car of Colorado peaches and one car of Utah peaches. This makes nine cars of peaches received so far this season at this station, about three times as many as received in any past year.

Mr. and Mrs. Geo. A. Austin expect to leave about September 20th for a visit in Fall River, Mass., in which there resides a sister of Mrs. Austin whom she has not seen for fifty years. They will be absent several weeks and anticipate a very pleasant trip.

Engineer T. N. Mann, who has a run out of Fremont on the Hastings-Superior line, has a remarkable record as a passenger engineer, having made one million seven hundred miles in passenger service without injury to a passenger or an employe. He has been running a passenger engine since 1875 and is now sixty-three years old.

Laughlin-Davidson Wedding.

At five-thirty Wednesday afternoon Miss Helen Davidson was married at the home of her mother, Mrs. Callie Davidson, on west Sixth street, to Frank Laughlin. The ceremony was performed in the large reception room by Rev. W. S. Porter in the presence of sixty relatives and friends of the contracting parties.

White and yellow flowers, ferns, streamers and small white bells were profusely used in decorating the stairway, reception hall and archways. In the parlor and dining room the color scheme was carried out in autumn flowers.

Butler Miltonberger, a cousin of the bride played Lohengrin's bridal chorus and the bridal party descended the stairway to the beautifully decorated arch at each side of which stood large palms. The bride wore a handsome and becoming gown of embroidered silk voile over white messaline, with trimming of real lace. Her bouquet was a large cluster of Killarney roses and fern leaves. She was unattended.

Following the ceremony the guests were served with a three course dinner on small tables which were decorated with yellow asters, gladiolas, golden rod and ferns. Each course was served in yellow and white.

Assisting in serving were Misses Marie LeDoyt, Lucille Wilcox, Florence McKay and Rachael Scott.

Among the large collection of costly wedding gifts were cut glass sets, linen, hand painted china, silver and furniture.

Mr. and Mrs. Laughlin left on the evening train on a honeymoon trip to Portland, Vancouver, Seattle and cities of California. Upon their return they will receive their friends in their new home on west Fifth street.

For several years the bride has resided here, five of which she was employed in the local telephone office and at the time of her resignation had risen to assistant manager. Her engaging manner, cheerful disposition and generosity made her popular with all in social or business circles.

The groom came to this city six years ago from Sutherland and is one of the best and trusted young conductors in the service. Best wishes are extended to the worthy young couple.

The name alone stands out in radiant splendor as a beacon light in the manufacturing world.

The name alone is a symbol of Honesty, Integrity and Quality.

The name alone when once realized among ranchmen and farmers to be the same Studebaker whose product for the past sixty years have been best known as the Studebaker Wagon and Carriage needs no introduction, no smooth guy agents, no coaxing, no treating over the bar or any old way to lead them to become the owner of an automobile.

No car is more despised, more hated, more misrepresented than the Studebaker and "There is a Reason." It is taking the lead everywhere it gets established and soon to take the lead here.

Investigation and comparison to all other make of cars is all that could be asked.
