

THE HASTINGS FALL FESTIVAL COMMITTEE, of Hastings, has arranged with the Pain Fireworks Company, of New York, to produce every night during the week of October 7th, the famous spectacle "LAST DAYS OF POMPEII." A masterpiece of spectacular splendor and protechnic ingenuity; invented, produced and personally conducted by the greatest fireworks manufacturers in the world. Three hundred Gorgeous Costumed Performers taking part in this production, including five big circus acts; five acres of ground seating ten thousand people; imposing scenery, impressive Pageants of beautiful Flower Girls, Roman Senators, Priests, Gladiators all magnificently gowned. Exciting contests of the Roman Hippodrome, concluding the evening's performance with \$1,000 display of Fireworks, which is changed nightly. This great spectacular success which has amazed and delighted millions in Europe and America, will be seen for the first time in central Nebraska. The prices of admission will be fifty cents general admission, reserved seats 25 cents extra, box seats 25 cents extra. Children under 12, 25c.

The Hastings Fall Festival Committee is sparing no effort to make the Farm Products, Poultry and Domestic Science Departments as attractive as the amusement features. In fact the money expended and the interest exhibited by the committee and farmers all point to a successful exposition. It is determined to make the 1912 Festival in Hastings the biggest and most splendid event in Nebraska for the year. All the necessary steps for the personal comfort of the visitors during the week have been anticipated and ladies' rest rooms conveniently located.

FOUR generations of American scientists, technicians, men of affairs, men of leisure, have chosen the HOWARD watch.

The first HOWARD was brought out in 1842—the only American watch. It had to prove itself the finest practical watch in the world—had to stand comparison with the work of the foremost European watchmakers.

Every HOWARD is adjusted in its case, priced at the factory, and a printed ticket attached—from \$35.00 to \$150.00.

"When you buy a HOWARD you get something."

We are distributors for this distinctive watch.

We carry in stock all grade of our R. R. standard watches and at the Right Price. We are taking care of some of the finest watches on the U. P. Ry. Let us take care of yours.

Wright Here Thursday Sept. 26th.

Clyde J. Wright, the candidate for governor of Nebraska on the Socialist ticket, will give a political address at the Lloyd opera house on Thursday evening Sept. 26th, at 8 p. m. This will be a speech on political economy and industrial democracy, such as you will not have another opportunity to hear again this year, and every one should hear him. Mr. Wright is a student and thinker of wonderful ability, and as a philosopher has no equal in the state of Nebraska. The campaign of 1912 is on and there are some vital political issues that every voter should hear discussed before going to the polls on election day.

He will tell you something about the high cost of living, and what the ills of society are and suggest a remedy.

This will be a good opportunity for Teddy's bull moosers and all progressives, to get some more thunder, and the stand pattens should come out and hear how it is done.

Every one come out and hear this learned politician explain the political problems which are perplexing the American people today. Ladies especially invited. COMMITTEE.

County News.

The date of the farmers' institute at Wallace is October 22nd and 23rd, and an effort will be made to make it a big show by adding carnival features and securing state candidates to make speeches. If this is done the affair will continue over several days.

At the meeting of the village board of Brady this week it is expected that a special election will be ordered to vote on a proposition to issue bonds in the sum of \$8,000 or \$10,000 for the purpose of erecting a waterworks plant. Cochran and McNamara, engineers of North Platte, have an estimate of the cost of the plant.

There are a number of farmers in the Wallace section who will thresh from 2,000 to 5,000 bushels of wheat. Among the heaviest growers are Larry Sullivan and Enoch Hruza who will have 5,000 bushels each, C. L. Cooper and Dud Schofield 4,000 bushels each, and Ed Ferrell 3,000 bushels. There are dozens of others who will have from 1,000 to 2,000.

CHOOSING A FALL SUIT!

Copyright 1912 The House of Kuppenheimer

OUR Fall Suit Spread is now at its best and the early buyer is going to make his selection from unbroken lines.

He is going to have a great advantage over the man looking for a Suit a few weeks later.

Come in and try on one of our Fall Suits—and you'll be pleased with the way it fits you!

The shoulders are sloping and graceful—just as fashion dictates.

The trousers are narrow—and the vest buttons high up.

We are particularly anxious to have "the man who has clothes made to measure" look at our clothes and judge them after a close inspection and a few "try ons."

They represent the very highest development in ready-for-service clothes and express the highest degree of perfection in modern designing and tailoring.
