SOME men see price and mistake it for value. Other men see first appearance and mistake it for style.

But here in our varied stock of Kirschbaum clothes men see and get actual money value that can be mistaken for nothing else.

We aim to sell garments good enough to make a man invest his money. And satisfying enough to make him come back to us when he wants another suit or overcoat. Every model, be it the

or the more conservative business man's suit, is built on quality.

Quality that guarantees the style and cut to be authoritative; that offers to you a fabric of which every thread is "All Wool"; that puts on your back a suit as expertly hand-tailored and as correctly finished as the finest custom-made suit or overcoat worn.

Come in and let us prove to you that Kirschbaum suits at

\$15, \$20 and \$25

are superior in every way to clothes you have paid a great deal more elsewhere. Money back, if wanted, is the basis of every sale. Each suit and overcoat is sold with the maker's official guaranty.
