## DIXON, THE JEWELER.

#### Will Expend \$750,000.

The Tribune learns from an authoritative source that the erection of the new round house, coal chutes and other improvements which have been blue printed and made public, form only a part of the plans which the Union Pacific has decided upon in increasing its terminal facilities at North Platte, and that when all the improvements have been completed the outlay will reach the enormous sum of seven hundred and fifty thousand dollars. The construction work will probably extend over a period of two years, and by reason of its magnitude will place North Platte at the head of all division terminals on the Union Pacific.

These improvements will naturally call for a large increase in the permanent working force, and at least a fifty per cent increase in the present monthly pay-roll will follow.

Two years ago a prominent Union Pacific official remarked to this writer: "We have something up our sleeve for North Platte; we expect to do big things for you people." The company is now starting in to do those "big things."

#### Will Provide Christmas Cheer.

The Elk lodge has made a liberal donation of money and tendered the use of the building for a Christmas celebration and gift giving to the more unfortunate children of the city. The affair has been placed in the hands of Mrs. Charles Perkins and Mrs. R. B. Favoright, two ladies who in the past have interested themselves in providing Christmas cheer for the youngsters who otherwise would have little of the joys of that day. While we have not been requested so to state, Mesdames Favoright and Perkins will no doubt be glad to receive cash donations as well as donations of suitable articles for this gift-distribution, the purpose being to supply bodily comforts as well as those little gifts dear to children. It is hoped that citizens generally will join with the Elks in making the celebration a successful outpouring of good cheer.

All lots in "Cody's Addition" and Buffalo Bill's sub-division will be marked with lot and block number this week. Take a walk Sunday afternoon over the addition, and pick your lot.

#### K. C. Banquet

St. Patrick's Council No. 1211, Knights of Columbus, held one of the most successful and enjoyable meetings and banquets Sunday that they held in several years.

The knights and candidates assembled at their hall at 8 o'clock Sunday morning and proceeded in a body to St. Patrick's church to attend high mass. The initiation was held in the afternoon and a class of thirty-five taken into the membership. The banquet was served in the Lloyd opera house in the evening where five prettily decorated tables extended the length of the hall and the walls, gallery and ceiling were hung with pennants, flags and streamers of purple and gold and appropriate pictures. Plates were laid for three hundred. The banquet was prepared by the Ladies Altar Society and served by the Catholic Girl's club who marched from the gallery and gave a toast to the knights.

During the evening a five piece orchestra under the leadership of James Hart rendered a program of popular music. The following program was rendered and each number loudly applauded. The toasts were instructive witty and cleverly delivered. J. Leo Cleary, toastmaster; "Impressions of Day" John Leary; Vocal Solo, Miss Miss Sadie Trovillo; "Catholicity and the Nation," J. L. McIntosh; vocal duet Irene von Trot and Pat Hagerty; "The Ladies," James Keefe; vocal duet, Miss Mary Tighe and Miss Sadie Trovillo; "Our Country," Rev. P. H. McDaid.
