

THE JOY OF GIVING!

The good book says: "Tis more blessed to give than to receive." But the degree of satisfaction received from giving is enhanced or lessened by the appropriateness of the gift. Make your Christmas presents fit the occasion. Note the suggestions below. Every article listed there is particularly adapted to the Yuletide season. The prices are low enough to fit the most modest purse.

Ridley Convicts Twenty-five.

H. S. Ridley, formerly of this city, now United States prosecuting attorney for Wyoming, is certainly proving "a terror to evil doers." The term of federal court closed at Cheyenne Saturday and during the term Ridley prosecuted twenty-five persons charged with violating the federal laws, and secured the conviction of everyone of them and each were sentenced to the federal prison at Ft. Leavenworth. Among the defendants was a woman who is worth \$500,000, but she like the others was forced to "take her medicine."

In addition to the United States practice, Mr. Ridley and his partner have a large private practice, and recently won a case where their client sued for \$81,000 and secured a verdict for that amount. In this case Mr. Ridley's fee no doubt was a big one.

NOTICE OF ACTION.

E. C. Brown, defendant, will take notice that on the 30th day of November, A. D., 1912, the Racine Sattley Co., of Nebraska, plaintiff, filed a petition in the District Court of Lincoln county, Nebraska, against the said E. C. Brown, L. B. Hastings, real name unknown, James H. Edmisten and John B. Tollion, defendants, and on the 17th day of December, 1912, the plaintiff filed an amended petition in said action and an application to the court for an order for service by publication upon E. C. Brown, defendant. The object and prayer of the plaintiff's petition is to foreclose a certain mortgage executed by the defendant, E. C. Brown, to L. B. Hastings, upon the northwest quarter (NW¹) of section thirty-four (34), township thirteen (13), north of range thirty (30), west of the 6th P. M., in Lincoln county, Nebraska, to secure the payment of a certain promissory note dated November 25, 1911, for the sum of \$4,000.00 due and payable five years after date with interest at 6 per cent per annum.

That the condition of said mortgage has become broken and the plaintiff has elected to declare the entire sum due and there is now due upon said note and mortgage the sum of \$4000.00 with interest at 6 per cent per annum from November 25, 1911, and that said note and mortgage has been assigned to and is now owned by the plaintiff, the Racine Sattley Co., of Nebraska, and the plaintiff prays for a decree that the defendants be required to pay the amount due upon said note and mortgage or that said premises be sold to satisfy the amount due and that the defendants and each of them be barred of all right, title, interest and equity of redemption in said mortgaged premises. The plaintiff further claims a lien upon the rents and profits of said premises and prays for the appointment of a receiver during the pendency of said action for the reason that said mortgage security is insufficient to pay the mortgage debt and said E. C. Brown has abandoned said premises and is permitting waste to be committed thereon and the plaintiff prays for an order of injunction restraining the defendants from selling and conveying said premises and profits during the pendency of this action and that an interlocutory order be issued appointing a receiver herein and directing the receiver to take charge of the rents and profits and that the defendants deliver the possession of said premises and the rents and profits thereof to the receiver appointed by the court.

The plaintiff proposes James T. Keefe as such Receiver and proposes the United Fidelity & Guaranty Company as surety on the bond both for the Receiver and for the plaintiff. The court has appointed the Sheriff Temporary Receiver pending plaintiff's application for Receiver.

You are required to answer said petition on or before the 20th day of January, 1913. You are further notified that the plaintiff will present his application to the court for the appointment of a Receiver and for a temporary injunction before the Hon. H. M. Grimes District Judge in the Court House in North Platte, Nebraska, the 21st day of January, 1913 at 10 o'clock a. m.
Dated December 17, 1912.
