EXTRAORDINARY

Special Sale 1-4 Of Dry Goods and Notions

For twenty-two days we will offer to the buying public our entire stock of DRY GOODS, consisting of ladies dress patterns, underwear etc., at astonishingly low prices, a few of which are quoted below. This is not a Loom End Sale of culls, or yet an Inventory Sale, nor a Clearance Sale of undesirables. But a Bonified Sale of mdse from the best known manufacturers in the world, and what makes it EXTRA-ORDINARY, is the fact that this house has never before advertised a sale of any kind. Our standard of excellence in this line is so well known that a repetition of the qualities is almost superfluous.

Sale begins Saturday, February 1st, and for twenty-two days thereafter you can buy underwear etc., at a price that will be within the reach of all and with diminished values. The loss will be ours and you will reap the benefit. We want to turn the stock into money at the earliest possible moment and are willing to make a great sacrifice in order to do it.
