He Banked his money and became a partner in the Business

Our successful business men began by saving the first money they earned so that when a business chance arose they were in a position to grasp it. Many senior members of great firms became junior members of that same firm by having MONEY SAVED with which to buy the first interest they had in the business. Start a bank account and see how happy you will be to see it grow; it will be the best friend you have, and the BEST PARTNER.
