## Printzess Suits

**That You'll Appreciate.**

There's a curve to their style lines, and an air of exclusiveness and a snap to the entire appearance that put them in a class by themselves. In other words, they are the kind of a garment worn by a women of style. Women who know and appreciate just what should be worn.

These garments have a reputation of conferring that elusive factor "Distinction in Dress" on the wearer. Come in and our girls will show you a Printzess and you will agree that our prices are modest.

**Holdrege Wants the North Platte Line.**

The Commercial club of Holdrege has started a movement whose object it is to influence the Burlington to build its new North Platte line from Holdrege instead of making the cut-off from Newark. It is claimed that the company, by taking advantage of the main line to this city, will save the construction and maintenance of 15.5 miles; whereas, if the cut-off is made at Newark, the Kearney-Kenesaw branch will have to be rebuilt for heavy traffic and more miles of new road will be necessary. The country from Holdrege to Lexington is practically level and local men say this route is the economic one to use.
