In other words the dollar is more to the tightwad than is the soul and future career of our boys. This may seem strong, nevertheless it is true.

Quality Cigars

In a cigar quality is the prime factor. some cigars, even those costing a dime don't have the quality. The reason our cigars are popular is because quality is our first consideration. Some of our brands have been on the market for 25 years and they are the same good cigar as when first made. Our reputation for good cigars was earned by making quality the first consideration.
