Mc Pherrin. Mr. Mc-Pherrin lost nearly if not quite 400 head of fine cattle making him prob-ably the heaviest individual loser in the county. These hides will net him a snug sum, but the cattle from which they were taken would have been worth at a conservative estimate \$20,000, and it is probable that these cattle were worth more than that.—Stapleton Enterprise.

Odd Fellows Will

Celebrate Anniversary. Local Old Fellows have arranged for a special session of the Grand Lodge of Nebraska in this city next Friday after-noon and evening, which will be the first grand session ever held in North

Platte. The officers to be present will be Grand Master W. T. Bass and Grand Secretary I. P. Gage. It is ex-pected that at least one hundred visitors from lodges at Lexington, Cozad, Gothenburg, Brady, Wallace, Gandy and other towns will be present.

This session is held in commemoration of the ninety-fourth anniversary of American Odd Fellowship, and the event is therefore one of double importance—the presence of the grand officers and the celebration of the organization of this good and growing fraternal order.

The initial session will be held at lodge room at 1:30, and the program will be as follows: Call of Scarlet Degree members, address of welcome by Mayor Evans, response by Grand Master Bass, piano solo by Prof. Klein, exemplification of the secret work by Grand Secretary Gage, question box conducted by the Grand Master, "A Quarter of a Century of Odd Fellow-ship" by Judge Hoagland, "Sixty Years an Odd Fellow" by Major Wood-

At six o'clock supper will be served in the banquet hall with the Sarah Re-bekah Lodge as hostess.

The evening session will be held in Keith theatre with J. G. Beeler presiding. Following an invocation by Rev. Gaither, Rev. P. C. Johnson, a past grand master will deliver a public address. Mr. Johnson thirty years ago was pastor of the local Methodist

In view of the presence of the grand officers and the visiting delegations it is suggested that merchants display the lodge colors in their show window.

As there are a great many stray and worthless dogs in North Platte, it becomes necessary for the dog owners who wish to let them run in the streets, ta go the office of the city clerk and procure a tag which mast be attached to the dog's collar. Y. M. C. A. Campaign Postponed Till Fall. street.

The campaign to raise forty thousand dollars for a Y. M. C. A. building has been postponed until October 1st. This action was taken Saturday foronoon following a meeting of the executive in town. ommittee which had been appointed the regular committee Thursday

At this committee meeting held Fri day evening the situation was viewed from all angles; the probability of raising the full amount, the ability all subscribers to pay promptly when the installments became due, and the good-will our people would have for the association after the building had been erected. To start with, the committee concluded that the present was not an opportune time for a campaign; business has been rather quiet the past winter and we face, as we do every spring, the uncertainty of a full crop on the farms. Should crops be good everybody will feel much more liberal next fall, and larger donations can be made and paid promptly. Had the nec Mrs. Isaac Dillion and grand daughter arrived Saturday evening from Minden, La., being called here by the subscriptions would be slow and the subscriptions would be slow and any attempt to force the collections would have resulted in the subscribers becoming "sore," and their support of the association following the erection of the building would be either withdrawn or else so indifferent as to be of little

The amount subscribed up to the date of the committee meeting was less than jen thousand dollars. It is true that a number of those who would give from \$200 to \$500 had not been seen, and it is possible that by constant drumming \$30,000 or perhaps more might have been secured, but the commmittee concluded, and we believe wisely, that it was not best to entreat a man to give more than he desired or felt justified in giving.

The famous novel written by Lew Wallace, "Ben Hur," will be read and illustrated at the Christian church on the evening of Tuesday, April 22nd, 1913. A program of some two hours of splendid pictures has been arranged under the auspices of the ladies ald of the church, and all proceeds of the entertainment go directly to them. Tickets are being sold by them for 15 and 25 cents. Those who have read this book will be greatly interested in the mono In addition to giving the read-C. A. Union Pacific Plans to Beautify Right-of-way.

The 400 feet of right-of-way acquired by the Union Pacific under the court cision and extending ac as Nebraska Colorado, Wyoming and Utah, is not weeds, but instead will be made a sort

of a garden, says the Omaha Bee.

By the court decision the Union Pacific becomes the owner of a strip of land 200 feet wide on either side of the track and across the states named. Heretofore much of this land had been occupied and cultivated by farmers owning the adjoining property, they contending that it belonged to them. Under the terms of the decision it becomes the absolute property of the Union Pacific In many instances the strip will be leased to adjoining property owners and cultivated as herotofore. In the event they do not care to enter into Pacific will take over the land and inaugurate a regular system of beautifying, the work being under the direction of the roadmasters of the respec tive divisions and carried into effect by

the section besses and their men.
A general plan of parking will be adopted, grasses and ornamental shrubs being planted and cared for. The idea is to make the strip for hundreds of miles take on the appearance of one continuous garden.

Only Three Big Circuses.

There are only three of the circuses of the first class traveling on the road teday. That is, there are only three circuses carrying three rings in which the performance is given. These circuses are the Barnum & Bailey, The Ringling and The Yankee Robinson circus. All of these shows have three rings, two elevated stages and the usual hippodrome track where the races are held. The Robinson circus gives its Wild West performance in the hippodroma track. The other two shows do not carry the Wild West annex, but give a spectacular performance in ad dition to the circus

The Sioux Falls Argus-Leader, speaking of the Robinson circus, states that the performance is on a par with either the Barnum or Ringling circus and states emphatically that the present Yankee Robinson circus will excel the Barnum show within a few years. Will exhibit at North Platte May 12th.
