Henry Cordes has sold to Conductor B. R. Fletcher lot 4, block 165 for \$2,950. The sale was made through Buchanan & Patterson.

The Hanson house on south Locust street, which was partially burned a couple of months ago, was totally destroyed Wednesday night by a fire of unknown origin. The department responded to the call, but confined its efforts largely to saving adjoining property, in which it was successful.

Down in Omaha they have set apart two days in which to wage a war for the extermination of dandelions. Here in North Platte it would require a thirty-day campaign to get rid of the "yellow peril", and then next spring they would probably bloom as profusely as ever. When you tackle the dandelion proposition you go up against something that means real work and lots of time.

Major Lester Walker, Alonzo McMichael and Luke Healey are planning on attending the reunion of the survivors of the battle of Gettysburg which will be held on the battle field June 30th to July 5th. These three veterans are, we believe, the only ones living in North Platte who participated in that memorable battle fifty years ago. Participants will be given free transportation to and from Gettysburg and provided with meals and sleeping accommodations while there.

Miss Alice Plummer, of Maxwell, was the guest of friends in town this week.

Ad. Coates and son Harold went to Sutherland yesterday afternoon to visit relatives.

Mr. and Mrs. W. S. Dolson left this morning for Omaha to spend a week with their son.

A score or more members of the Knights of Columbus will go to Grand Island Sunday to attend a class initiation.

Mrs. R. C. Kirkland, nee Irma Haskell, of Kansas City, a former North Platte girl, is expected tomorrow to visit friends.

The Wilcoxson Employment Office formerly in the Walmeth Building has been moved to their residence on south Maple street.

Mrs. John Frazier expects to leave next week for Denver to visit her brother Albert Herrod, who has been in a hospital since the holidays being treated for injuries received in an auto accident. In that time five operations have been performed.

The funeral of the late Gilbert Gregg was held Wednesday afternoon from the Christian church. Rev. Knowles conducted the services at which many sympathizing friends of the deceased attended the last rites and followed the remains to the North Platte cemetery where they were laid to rest.

Special For Saturday, May 3rd, Carnations 50c per dozen. Roses \$1.00 per dozen. Special prices on pot plants. Phone 274 C. J. PASS.

A regular session of the city council was held Wednesday evening and the applications for six saloon licenses and five druggists' permits were granted following the approval of the bonds. Complaint was made that certain parties were engaged in plumbing work who had not secured a license, all such were notified that they must file an application for a license; prior to the next meeting of the council. License was granted to Ashley Peters as a sidewalk contractor and his bond approved. Night Policeman Trout presented his resignation, which was accepted. Permission was granted to grade certain streets in Taylor's addition.

May Party Proves a Brilliant Success.

The thirty-first annual May Party of Division 88, Brotherhood of Locomotive Engineers, held at the Lloyd last evening was a signal success, not only from the standpoint of attendance, but for the nicety with which everything was conducted. As early as eight o'clock the seating capacity of the gallery was taxed, a half hour later when the Stamp orchestra began the prelude concert standing room was at a premium, and when the hour for dancing arrived the floor was crowded with participants. Not in recent years has the attendance at this popular function been so great as last night.

The hall was profusely decorated with red and white streamers extending from ceiling to electroliters and to gallery, and were also used to good advantage on the stage entrance. These gave the big hall a pretty appearance, and with the handsomely gowned ladies, the floor scene as viewed from the gallery was fairly entrancing. The music by Stamp's orchestra of eight pieces was all that could be desired, the floor was in fine condition, the participants were good dancers and if each individual attendant did not have a splendid time the fault could not be laid to the committees who had so well planned the party.

Dancing began shortly after nine o'clock, the grand march being led by master of ceremonies F. J. Doran and daughter, and with the exception of the customary midnight hour for lunch, dance followed dance until 3:30 this morning.

Chairman Lawhead and his efficient committees can rest assured that their efforts to give the people an evening replete with enjoyment were most successful, and the thirty-first annual May Party will pass into history and be remembered as one of the most pleasant of the many given.

Auto Smashed by Train.

J. W. Hiles' automobile was wrecked yesterday afternoon at Brady by being struck by train No. 8. Mr. Hiles was not in the auto at the time and was unhurt.

While Mr. Hiles was driving across the track his engine went dead and the car stopped directly across the east bound track. Before he could get his engine going again No. 8 came along and ran into it, crushing the auto beneath the engine. Attempts were made to back off the auto but it was wedged so tightly that it had to be chained down to the ties of the track before the train engine could pull itself loose.—Gothenburg Independent.

April Weather.

The precipitation last month was 2.07 inches, which is eight one hundredths of an inch less than the average for the month, and since January 1st there has been an accumulated excess of ninety-four one hundredths of an inch as compared with the average for that period. The month was two degrees warmer than the average April, the highest temperature eighty-nine and the lowest twenty-two. During April the total movement of wind was 7,556 miles, the average hourly velocity 10.5 miles and the highest velocity reached was thirty-six per hour.
