#### Mother's Day.

Sunday, May 11th, is Mother's day. It is a day to be observed by all members of the Grand Army of the Republic in memory of and respect for mother. Some one has properly said, "that mothers are the guide posts to Heaven." The observance of Mother's Day is the expression of a beautiful sentiment, and one which cannot fail to kindle in the heart a renewed reverence for that one best friend to man; most of us veterans of the Civil War of half a century ago have parted from mother, and she is beckoning us from the other shore. Some of us have mother with us. Let each comrade of the Grand Army of the Republic wear a white carnation on Mother's day. It is a flower which in its purity and sweetness symbolizes the virtues and character of her who was not only our mother but our best counselor and guide.

J. S. HOAGLAND, Post Patriotic Instructor.
