A New One to Our Former Townsman

One of the most unusual offers ever tendered by railroad employes—that of contributing a part of their monthly wages to assist the company for which they are working—has been made by a large number of clerks, engineers, conductors and others connected with the Illinois Central system.

A request that they be permitted to donate one or more days' pay in order to aid the company in making repairs rendered necessary by the recent tornado in Omaha and widespread damage caused by floods in the south was received from the employes by Vice President W. L. Park. In declining the offer Mr. Park issued the following statement:

"In all my railroad experience in the ranks and as an officer, I never have encountered so unselfish and loyal an offer, that these men should voluntarily tender their mite to assist their company (and I use the word 'their' advisedly, for such men are really partners in the institution) is an evidence of such patriotic loyalty and self-abnegation that I am inclined to the belief that it is unparalleled in railroad history."

Notice to Parents.

From North Platte City Ordinance Article 10, Section 284:

It shall be unlawful for any person under the age of 17 years to be found upon any public street or alley within the city of North Platte after the hours of 9 o'clock p. m. unless accompanied by parent or guardian or unless upon some lawful errand or business.

Also, I desire to call attention to the state law in regard to minors, or persons under 16 years of age running, automobiles in the city limits. This will be enforced in this city. By Order of Chief of Police.

Mothers' Day.

The Presbyterian church observed "Mothers' Day" last Sunday. The building was crowded. The Ladies' Aid presented to each a large white carnation. The choir sang beautiful mother songs and as the great congregation joined in the refrain of "Tell Mother I'll be There" and "Home Sweet Home," there was scarcely a dry eye. One and all said: "The most impressive service we have ever held."

Campaigned Three Years With a Woman.

Last week the daily papers gave an account of an individual going under the name of Albert D. Cashier, who had served in the civil war and whose identity as to sex had but recently been discovered. Local interest attaches to the story for the reason that this individual, who now turns out to be a woman, served in the same company with Capt. Jas. S. Robbins, of Wallace, during the war, and was as well known to Captains Robbins as any other member of the company. When she entered the service she was about twenty years of age, was of stout, stocky build, and on long or forced marches kept pace without falter, and on the firing line was as brave and determined as any.

There was nothing in her actions to indicate that she was a woman, other than that she insisted on "messing" alone, but as many soldiers demanded this privilege, no attention was paid to it. She was mustered out in 1865, and a few years later was placed on the pension rolls of the government. She is now a demented inmate of the soldiers' home at Quincy, Ill.

THE MUTUAL BUILDING & LOAN ASSOCIATION.

The assets of this association exceed the sum of half a million dollars. The reduction of the rate of interest to borrowers has increased the demand for loans; and in order to meet this demand the association will issue a limited amount of its PAID UP STOCK.

Money invested in this paid up stock draws six per cent interest, payable semi-annually, and may be withdrawn at any time upon thirty days notice, such notice being waived where there are funds in the treasury to meet the withdrawal.

T. C. PATTERSON, President.
 SAMUEL GOOZEE, Secretary.

Prof. Garlich's musical at the hall Wednesday evening was one of the most enjoyable entertainments of the season. The professor is without doubt the best musical instructor in this part of the state, and the well executed numbers of the program by the little folks thoroughly demonstrated this fact.

One of his little pupils from North Platte played some difficult selections on the violin. The whole program was a musical treat. The school board has secured Mr. Garlich for next term and among the new features planned by him, will be organization and instruction of a band at the school.—Brady Vindicator

Dr. D. T. Quigley went to Omaha last night to attend the state medical association, of which he has been vice-president during the past year.

Mrs. P. J. Gilman, Mrs. R. D. Birge, Mrs. F. W. Rincker, Miss Annie Kramph and Rev. C. F. Chapman, returned Friday from attending the Episcopal convocation at Hastings. The attendance was more general than ever before and much interest was evinced. Rev. Chapman was elected alternate clerical delegate to the general convention which will be held in New York in October.

Though the roads were heavy, many farmers came to town yesterday in their automobiles, in fact the cars standing on the streets and at the show grounds gave evidence of the large number owned by country residents.

Mr. and Mrs. Florin Muchlinski and daughter will go to Omaha Thursday to visit the former's parents.

Notice.

A number of young ladies have written me asking for a place to stay during the Junior Normal where they can work for their board and room. These are worthy young people and we desire to place as many as possible. If you can take one of these young ladies during June and July and give her board and room or allow her part pay on either, it will be appreciated and will help her get the work of the Junior Normal.

He Has No Extension

Do you have to do this, also, when the telephone bell rings after you have "turned in" for the night?

Or do you answer the call from an extension set in your bedroom?
